STATES OF JERSEY LAW 2005: DELEGATION OF FUNCTIONS – PLANNING AND ENVIRONMENT – REVISED DELEGATIONS NOVEMBER 2014

**Presented to the States on 4th December 2014
by the Minister for Planning and Environment**

STATES GREFFE

REPORT

On 1st December 2014, the Minister for Planning and Environment made a Ministerial Decision delegating certain of his functions under Article 28 of the States of Jersey Law 2005 (MD-PE-2014-0107, available at www.gov.je).

Article 28 of the States of Jersey Law 2005 permits a Minister to delegate, wholly or partly, functions to an Assistant Minister or an officer.

The Law states, *inter alia* –

“28 Power of Minister to delegate functions

- (1) A Minister may delegate, wholly or partly, functions conferred upon or vested in the Minister by or under this Law or any other enactment or any enactment of the United Kingdom having effect in Jersey, to –
 - (a) one of his or her Assistant Ministers;
 - (b) an officer.
- (2) A Minister shall not delegate –
 - (a) any power to make an enactment;
 - (b) any power to decide an appeal under an enactment;
 - (c) any function the delegation of which is prohibited by an enactment.
- (3) The delegation of functions by a Minister under this Article shall not prevent the Minister exercising those functions personally.
- (4) Where any licence, permit or authorization is granted in purported exercise of functions delegated under paragraph (1), no criminal proceedings shall lie against any person for any act done, or omitted to be done, in good faith and in accordance with the terms of the licence, permit or authorization, by reason that the functions had not been delegated, or that any requirement attached to the delegation of the functions had not been complied with.
- (5) In this Article –

“Minister” includes the Chief Minister;

“officer” means a States’ employee within the meaning of the Employment of States of Jersey Employees (Jersey) Law 2005 and includes a member of the States of Jersey Police Force and an officer appointed under paragraph 1(1) of Part 1 of Schedule 2 to the Immigration Act 1971 as extended to Jersey by the Immigration (Jersey) Order 1993.
- (6) The States may by Regulations amend the definition “officer” in paragraph (5).”

The terms of the delegations, and the legislation under which those delegations were made, were recorded in a Report attached to the Ministerial Decision, as shown below –

Scheme of Delegation for the Minister for Planning and Environment November 2014		
1. Background:		
<p>Article 28 of the States of Jersey Law 2005 allows a Minister to delegate any function for which they have responsibility, to an Assistant Minister or an Officer.</p> <p>The Scheme of Delegation ensures that decisions are made at the appropriate level to ensure the efficient administration of the Minister's duties and responsibilities.</p> <p>No delegations made prevent the Minister from exercising those functions personally.</p>		
2. Delegations to the Assistant Minister		
<p>In pursuance of Article 28(1) of the States of Jersey Law 2005, the Minister delegates all powers and functions in respect to the Department of the Environment, including all other areas where the Minister would otherwise have to act and be advised, to his Assistant Minister, Connétable S.W. Pallett of St. Brelade, for any periods when he is unavailable or out of the Island.</p>		
3. Delegations to Officers – Public Finances (Jersey) Law 2005		
<p>In pursuance of Article 28(1) of the States of Jersey Law 2005, the Minister delegates the following powers and functions in respect to the Department of the Environment to officers subject to the conditions as stated.</p>

NOTE – the Planning Applications Panel do not have any powers to determine High Hedges applications as neither the States of Jersey Law 2005 nor the High Hedges (Jersey) Law 2008 allow for such a delegation.

The conditions

1. Authorised Officers refer to those Officers indicated in the table above.
2. Proposals which, if approved, would involve a departure from the Island Plan, any guidelines or policies published in accordance with Article 6 of the Planning and Building (Jersey) Law 2002, or any other approved planning policy or Ministerial Guidance may only be considered by the Planning Applications Panel (PAP) and nominated Authorised Officers and where, in their opinion, there are good grounds to consider approving the application it may grant such a permission.
3. Where the Planning Applications Panel is minded to reach a decision on an application which is fundamentally contrary to the Department's recommendation, the decision will not be taken at that meeting, but referred to the Minister, who may seek further information, issue advice to the Panel, or decide the application him/herself.
4. Neither the Planning Applications Panel, nor any Authorised Officer, will make any decision or otherwise exercise any function in any case in which the Minister has given notice that he wishes to make the decision or exercise the function himself. Such indication may be given at any stage prior to the making of the decision or exercise of the function in pursuance of the delegated powers.
5. Where it is considered beneficial, the Minister may sit with the Planning Applications Panel.
6. In relation to all powers indicated above – save for those in relation to the Building Bye-Laws, Dangerous Structures and Caravans – all decisions made by an Authorised Officer will be made on the basis of a recommendation from another Officer. Any such recommendation shall be made in writing and must identify all the material considerations relevant to the decision to be taken or the action to be taken.
7. In considering applications for planning permission, Authorised Officers may determine applications where representations have been received, where those representations have been accommodated by revisions to the application or by the imposition of relevant conditions.
8. In considering applications for planning permission, Authorised Officers may determine applications where representations have been received from 3 or less individuals, where each individual appears to be from a separate address – when the representations are contrary to the recommendation.
9. In deciding whether to include a building or place on a List of Sites of Special Interest, Authorised Officers may take a decision when representations have been received in connection with the process but where those representations are not material in considering whether to include the building or place on any List.
10. In deciding whether to include a tree or group of trees on a List of Protected Trees, Authorised Officers may take a decision when representations have been received in connection with the process but where those representations are not material in considering whether to include the tree or group of trees on a List.
11. In granting permission to import a caravan, campervan or any other vehicle with sleeping, etc. accommodation into the Island the Hospitality and Leisure Manager (Economic Development department) must attach the following conditions –
 - (a) Caravans can only be accommodated on the following sites –
 - Beuvelande (St. Martin),
 - Daisy Cottage Campsite (St. Ouen),

<ul style="list-style-type: none"> • Rozel Camping Park (St. Martin), • Jersey Accommodation and Activity Centre (St. Martin). <p>(b) Where the visitor is staying at a private address or tourist accommodation motorhomes may not be used for overnight accommodation although they will be permitted to circulate the Island providing a valid permit is shown.</p> <p>(c) The maximum duration of stay is 31 days from the date of arrival in Jersey.</p> <p>(d) Visiting Caravans are restricted to one journey to and one journey from the campsite to the port. Caravans must remain on the designated site for the period of the permit. Motorhomes/campervans may circulate on the Island on a daily basis but must return to the designated campsite each night.</p> <p>(e) Where it is necessary to change vessels when in transit in either direction between the UK and France motorhomes/campervans are permitted to circulate the Island subject to a valid permit being displayed.</p> <p>(f) A permit displaying the dates for which the permission is valid must be displayed in the vehicle towing the caravan or motorhome/campervan.</p> <p>(g) The caravan or motorhome/campervan shall have in effect at all times during the duration of the visit a valid policy or policies of insurance against public and third party liability.</p> <p>(h) The maximum dimensions allowed are –</p> <ul style="list-style-type: none"> (i) Width of caravan, motorhome or towing vehicle 2.3 metres; (ii) Length of any caravan 6.7 metres (excluding the means of attachment to the towing vehicle). Length of any motorhome/campervan 9.3 metres; (iii) Caravan and towing vehicle 16.50 metres (to include any projection to the front or rear of the vehicle) 		
<p>12. In deciding an application and any requirement for remedial action in connection with a submission under the High Hedges (Jersey) Law 2008, Authorised Officers may only make a decision when representations have not been received from the owner of the hedge that is the subject of the application.</p>
