Glass

All glass bottles and jars should be washed and lids removed before being placed in your parish glass collection. If you live in St Helier, glass should be taken to a glass collection bank. For up to date information about your nearest facility, please contact the Town Hall on Tel: 811811.

Green Waste

If you have a garden, buy a home composter and compost as much of your kitchen and garden waste as possible. Transport and Technical Services provide low price, purpose built home composters. They're available from most garden centres for only £10. These are easy to install and help to make composting as easy as possible.

Large quantities of garden waste should be taken to the green waste site at La Collette

Parish	Site	Opening hours (Domestic Use)	Commercial Use
