#### **Comment**

THE STATES commenced consideration of a proposition of Deputy John Benjamin Fox of St. Helier regarding sea transport: revised policy and, following consideration, and in accordance with the provisions of Standing Order 69(4), granted leave to the Deputy to withdraw paragraph (b)(i) of the proposition.

THE STATES, adopting paragraphs (a) and (b)(ii) to (b)(vi) of the proposition, requested the Minister for Economic Development, after consultation with the Council of Ministers and any other appropriate bodies, to take the necessary steps to implement without delay a revised policy for the management and development of sea routes to and from the Island, and that –

- (a) each route, namely the northern and southern car ferry roll on/roll off sea routes, should be controlled by a separate Service Level Agreement with the operator or operators in order to protect the operators and ensure that the Island received a sustainable all year round service;
- (b) each Service Level Agreement should set out –
  - (i) the required schedules for winter and summer services;
  - (i) the type and capacity of vessel(s) that must be used on the route;
  - (iii) the appropriate level of reserve capacity which must be available for peak season and in case of breakdown;
  - (iv) an indication of how quickly normal services would be resumed by the operator after a period of inclement weather or a breakdown;
  - (v) a realistic financial penalty on each route should the operator fail to comply with the conditions laid down in the Agreement.
