- OQ.121/2022 4. Deputy G.P. Southern of St. Helier Central will ask the following question of the Minister for Health and Social Services:
- “Following her response to Written Question 204/2022, will the Minister provide the definitions of the categories “urgent”, “soon”, and “routine” in terms of prioritising ophthalmic interventions; and, in light of postponed appointments and given the critical waiting time that is between referral from the G.P. and the operation being performed, will she state whether a waiting time of 200 days is reflective of patients’ current experiences?”
- OQ.114/2022 5. Deputy R.J. Ward of St. Helier Central will ask the following question of the Minister for the Environment:
- “Will the Minister advise whether funding for any planned electric bike schemes will be taken from the budget for speeding up adoption of electric vehicles, and whether the active travel budget of £1.7 million will be untouched by any such scheme; will the Minister further indicate what consideration will be given to those on lower incomes, struggling families and those with disabilities to ensure they are included in any scheme?”
- OQ.113/2022 6. Deputy M.B. Andrews of St Helier North will ask the following question of the Minister for Housing and Communities:
- “Will the Minister provide an update on the Digital Register of all Property (including beneficial ownership)?”

- OQ.120/2022 7. Deputy L.V. Feltham of St. Helier Central will ask the following question of the Minister for Infrastructure:

“Given that, in response to Written Question 164/2022, the Minister stated that a business case for funding the Road Safety Strategy had been submitted for inclusion in the Government Plan 2023-26, will the Minister explain why there is no revenue expenditure growth allocated for this purpose within the published Government Plan 2023-26 and why delivery of the Road Safety Strategy does not appear within his Ministerial Plan?”

- OQ.115/2022 8. Deputy R.J. Ward of St. Helier Central will ask the following question of the Minister for Children and Education:

“Given the announcement of a sudden closure of a private nursery provider, will the Minister advise what the current risk is assessed to be to other families across the Island of facing a similar closure of their nursery provision?”

- OQ.122/2022 9. Deputy G.P. Southern of St. Helier Central will ask the following question of the Minister for Social Security:

“Further to Written Question 266/2022, will the Minister explain why special payments made under Income Support Regulations reduced by two thirds between 2011 and 2020, with the total amount paid reducing by half; and will she further explain the reduction in special payments for medical expenses and the move from grants to loans for essential household equipment, including any developments in policy?”

- OQ.117/2022 10. Deputy S.Y. Mézec of St. Helier South will ask the following question of H.M. Attorney General:

“Will H.M. Attorney General inform the Assembly how many occasions in the last 5 years public money has been paid in compensation to people who have faced actions deemed unlawful from bodies which fall within his office’s responsibility?”

- OQ.124/2022 11. Deputy B.B. de S.DV.M. Porée of St. Helier South will ask the following question of the Minister for Economic Development, Tourism, Sport and Culture:

“In light of the present economic challenges facing small businesses, as in evidence when walking around St. Helier, will the Minister advise what Government mechanisms are in place to support such small businesses?”

R&O.96/2022.

Education (Grants and Allowances) (2022 Academic Year) (Jersey) Order 2022.

Minister for Children and Education.

The Education (Grants and Allowances) (2022 Academic Year) (Jersey) Order 2022 increases by a further 7.2% of the 2021 academic year rate, for the 2022 academic year only, the amount of maintenance grant awarded to students with relevant income (as defined in the Education (Grants and Allowances) (Jersey) Order 2018) of less than £90,000 per year, or less than £100,000 per year in the case of students studying medicine, dentistry, nursing or veterinary science.

Article 1 is an interpretation provision.

Article 2 explains which students are eligible for the increase in the maintenance grant.

Article 3 sets out the amount of the increase in the maintenance grant by reference to the student's relevant income. The Education (Grants and Allowances) (Amendment No. 3) (Jersey) Order 2022 increased by 2.9% the amount of the maintenance grant for all students on courses in the 2022 academic year. The additional one-off cost of living increase to the maintenance grant awarded to eligible students specified in this Order represents an overall increase of 10.1%.

Article 4 makes minor housekeeping amendments to the Education (Grants and Allowances) (Jersey) Order 2018. Those amendments will not cease to have effect upon the expiry of this Order under *Article 5*.

Article 5 provides for the title by which this Order may be cited, for it to come into force on the day after the Minister for Children and Education signs the Order, and for it to cease to have effect on the day before the start of the academic year commencing on 1st September 2023.

The Order was made on 8th November 2022 and came into force on 9th November 2022.

R&O.97/2022.

Animal Health (Importation of Pork and Porcine Products – Amendment) (Jersey) Order 2022.

Minister for the Environment.

This Order amends the Animal Health (Importation of Miscellaneous Goods and Animals) (Jersey) Order 2017 to prohibit the importation of pork and porcine products from any country excluding the British Islands.

It provides an exception for pork and porcine products imported from the European Union, Iceland, Liechtenstein, Norway, the Faroe Islands, Greenland or Switzerland –

- (a) for human consumption, provided they have a health mark or identification mark;
- (b) not intended for human consumption, provided they are –
 - (i) packaged correctly and include the name and address of the feed business operator responsible for the labelling on the package, or
 - (ii) have a label attached to the packaging, container or vehicle describing the product and stating which category of animal by-products it belongs.

It also prohibits personal consignments of porcine products intended for human consumption, and such consignments not intended for human consumption, exceeding 2 kilogrammes in each case.

This Order comes into force on the day after it is made.

The Order was made on 17th November 2022 and came into force on 18th November 2022.

R&O.98/2022.

Nursing Homes (2023 Fees) (Jersey) Order 2022.

Chief Minister.

This Order amends the Nursing Homes (General Provisions) (Jersey) Order 1995 to uprate, in line with inflation, the registration and annual fees to be paid under Articles 3 and 4 of that Order. The fees will each increase by 2.5% on 1st January 2023, when this Order takes effect. (The fees were previously increased with effect from 1st January 2022.)

The Order was made on 18th November 2022 and comes into force on 1st January 2023.

WRITTEN QUESTIONS

(See Item I(a))

1. The Minister for Social Security tabled an answer on 7th November 2022 to the following question asked by Deputy M.B. Andrews of St Helier North:

“Will the Minister advise whether she considers that there needs to be an enhanced data series to assess the labour force participation rate, and if so, why?”

2. The Minister for Treasury and Resources tabled an answer on 7th November 2022 to the following question asked by Deputy R.S. Kovacs of St. Saviour:

“With reference to the 2020 tax return, will the Minister advise the following in relation to rental income declared from residential properties –

(a) how many individuals declared residential rental income –

- (i) on their principal place of residence, such as through informal lodgings;
- (ii) on other property in their ownership including, if identifiable, broken down into single or multiple properties;

(b) whether any residential rental property income was declared in Company returns from either 2019 or 2020, and if so, how much; and,

(c) whether any non-residents declared income from Jersey residential property, and if so, how many and how much was the total rental declared for taxable purposes?”

3. The Minister for Treasury and Resources tabled an answer on 7th November 2022 to the following question asked by Deputy R.J. Ward of St. Helier Central:

“Will the Minister indicate the estimated revenue gained by the States of Jersey through the taxation of rental income paid to landlords by tenants without ‘Entitled’ housing qualifications (for example. Registered only) per year for the last 5 years; and will the Minister further provide the estimate of the total income gained by the landlords of such tenants, per year for the last 5 years?”

4. The Minister for Economic Development, Tourism, Sport and Culture tabled an answer on 7th November 2022 to the following question asked by Deputy S.Y. Mézec of St. Helier South:

“Will the Minister provide a breakdown, per year, of the set up and maintenance of Jersey's aircraft registry since its inception and will he further provide a breakdown, per year, of the income it has produced?”

5. The Minister for Housing and Communities tabled an answer on 7th November 2022 to the following question asked by Deputy L.V. Feltham of St. Helier Central:

“Will the Minister provide the details of any analyses from the last 5 years of current unmet housing need that have been undertaken and any scenario-planning or estimation of the future housing required to be supplied by the Affordable Housing Gateway, including any analyses undertaken regarding key worker accommodation requirements?”

6. The Minister for Economic Development, Tourism, Sport and Culture tabled an answer on 7th November 2022 to the following question asked by Deputy G.P. Southern of St. Helier Central:

“Will the Minister state what assessment, if any, has been undertaken of the extent to which the Island’s trade or economy will be affected by the U.K. Government’s proposal to move away from the Retained E.U. Law (Revocation and Reform) Bill by the end of 2023; and will he further advise what impact, if any, such changes will have, particularly on food standards and employment laws?”

7. The Minister for Infrastructure tabled an answer on 14th November 2022 to the following question asked by Deputy M.B. Andrews of St Helier North:

“Will the Minister provide an update on any outstanding legislative work in relation to speed cameras?”

8. The Minister for Social Security tabled an answer on 14th November 2022 to the following question asked by Deputy M.B. Andrews of St Helier North:

9. The Minister for Health and Social Services tabled an answer on 14th November 2022 to the following question asked by Deputy M.B. Andrews of St Helier North:

“Will the Minister provide the number of locum staff recruited within Health and Community Services each year since 2017?”

10. The Minister for Health and Social Services tabled an answer on 14th November 2022 to the following question asked by Deputy T.A. Coles of St. Helier South:

“Given that ‘Prevention of Suicide in Jersey: A Framework for Action 2015-2020’ aimed to improve mental health and wellbeing in vulnerable groups, to reduce stigma about suicidal feelings, to reduce the risk of suicide in high-risk individuals and to improve information and support to those bereaved or affected by suicide, will the Minister advise –

- (a) to what extent these four objectives were met and what actions, if any, are outstanding;
- (b) when the next strategy will be completed and what its primary objectives will include; and whether any central body of information and advice detailing voluntary organisations, sources of counselling and peer support (similar to the information pages provides on the MyStates section of the Government of Jersey intranet) is available or, if not, whether one will be made publicly available?”

11. The Chair of the Comité des Connétables tabled an answer on 14th November 2022 to the following question asked by Deputy R.S. Kovacs of St. Saviour:

“Will the Chair provide the following details for each Parish, collected in accordance with the Rates (Jersey) Law 2005, for the most recent whole calendar year –

- (a) the number of residential properties, if any, that were unoccupied for the whole of the calendar year;
- (b) the reason, if known, as to why each of these residential properties were unoccupied; and

(c) the number of residential properties where the owners were either unknown or uncontactable?”

12. The Minister for Housing and Communities tabled an answer on 14th November 2022 to the following question asked by Deputy R.S. Kovacs of St. Saviour:

“Will the Minister provide the following details in relation to residential properties for purchase in Jersey –

- (a) how many properties, and of what type (for example house or flat, 1-bed/2-bed), are currently available; to include separate figures for both the private and the social housing sector, if known, and the number that are for affordable housing;
- (b) how many properties, and of what type (for example house or flat, 1-bed/2-bed), are either planned, or in the process of being built, including separate figures for both the private and the social housing sector, if known, and the number that are for affordable housing and by what date they will be built; and
- (c) how many people are currently on the waiting list for the ‘First-time buyer’ scheme with Andium Homes, for what type of properties and the timeframe for each?”

13. The Minister for the Environment tabled an answer on 14th November 2022 to the following question asked by Deputy R.S. Kovacs of St. Saviour:

“In light of the fact that, in December 2001, planning permission was approved for Fields 378 and 379, Rue à la Dame and Le Bassacre du Milieu and du Nord in St. Saviour; will the Minister provide the details of what the planning permission allowed for, and of any conditions attached to the permissions granted?”

14. The Minister for Social Security tabled an answer on 14th November 2022 to the following question asked by Deputy G.P. Southern of St. Helier Central:

“Will the Minister provide details of –

- (a) the number of special payments made under the Income Support Scheme and the total amounts paid, broken down by year over the past 10 years, and
- (b) the number and amounts paid in grants and loans for larger one-off items of expenditure during the same period, broken down by –
 - (i) essential household equipment;
 - (ii) rental deposits;
 - (iii) removal expenses;
 - (iv) medical needs; and
 - (v) funeral expenses?”

15. The Minister for Health and Social Services tabled an answer on 14th November 2022 to the following question asked by Deputy G.P. Southern of St. Helier Central:

“Further to the response to Written Question 204/2022, will the Minister advise what actions she is considering to ensure that waiting lists for ophthalmic interventions, including relatively simple cataract operations which can have a considerable impact on the lives of elderly people, are

significantly reduced; and will she undertake to set targets for such reductions and to report on the success of meeting these targets to the Assembly on a regular basis?"

16. The Minister for Health and Social Services tabled an answer on 14th November 2022 to the following question asked by Deputy G.P. Southern of St. Helier Central:

"Will the Minister outline what each of the following projects have achieved to date, and what they are intended to achieve within the proposed allocation to the Digital Care Strategy of £5.3 million in the Government Plan 2023-2026 –

- (a) Patient Administration Systems (PAS) and Acute Electronic Patient Record (EPR) - Release 1,2;
- (b) Electronic Prescribing and Medicines Administration (EPMA);

17. The Minister for Health and Social Services tabled an answer on 14th November 2022 to the following question asked by Deputy R.J. Ward of St. Helier Central:

"Further to her response to Written Question 247/2022 will the Minister advise –

- (a) the planned date for delivering outcomes of the review detailed therein and discussed at a meeting with the Minister on 5th August 2022;
- (b) the projected date for any changes to the existing policy; and
- (c) whether cancer patients undergoing surgery will be included in the group defined as "Cancer patients for Planning Day and radiotherapy/chemotherapy treatment only"?"

18. The Chief Minister tabled an answer on 14th November 2022 to the following question asked by Deputy R.J. Ward of St. Helier Central:

"Further to the response to Written Question 215/2022 regarding the digital registration of all properties, will the Minister indicate what progress, if any, has been made in respect of quality assurance, fact-checking and consideration of the scoping report for this work; and will the Minister further provide the time scale for completion of the report and of any related actions?"

19. The Minister for Infrastructure tabled an answer on 14th November 2022 to the following question asked by Deputy R.J. Ward of St. Helier Central:

"Further to the response to Written Question 196/2022 regarding active travel projects, will the Minister indicate what meetings, if any, have been held regarding active travel plans; will the Minister

further outline what projects scored highest against the Sustainable Transport Policy's principles and Government's common strategic policies; and will he state what projects he will prioritise for action in the coming 6 months?"

20. The Minister for Health and Social Services tabled an answer on 14th November 2022 to the following question asked by Deputy C.S. Alves of St. Helier Central:

"Will the Minister advise what the current average processing time is for the results of tests undertaken at the sexual health (GUM (genitourinary medicine)) clinic; and will she provide the average waiting time for results per month since January 2019?"

21. The Minister for Children and Education tabled an answer on 14th November 2022 to the following question asked by Deputy C.S. Alves of St. Helier Central:

COMMON STRATEGY POLICY (P.98/2022)

PROPOSED DEBATE RUNNING ORDER

The Greffier will read the full text of the Proposition:

The Council of Ministers has indicated it would like to propose the proposition as amended by the 1st, 4th and 7th amendments (as amended) – this will be subject to the agreement of States Members.

in accordance with Article 18(2)(e) of the States of Jersey Law 2005, to approve the statement of the Common Strategic Policy of the Council of Ministers as set out in the report of this Proposition, except that –

- (a) on page 5 of the report in the “Environment” section –
before the word “environment” there should be inserted the words “urban, rural and marine environment”; and
after the word “purposefully” there should be inserted the words “and fairly.”;
- (b) on page 6 of the report in the “A commitment to partnership” section after the word “with the” there should be inserted the words “Parishes.”;
- (c) on page 7 of the report in the “Quality of Life section, after the word “housing” there should be inserted the words “open space”;
- (d) on page 13, Annex 1, in the “Children and Families” section after the third paragraph there should be inserted a new paragraph as follows –
“We will provide safe walking and cycling facilities to allow children to walk and cycle to school, thereby increasing their health, fitness and independent mobility and reducing the impact of ‘the school run’ on the environment.”;
- (e) on page 14, Annex 1 –
 - (i) in the “Ageing Population” section after the fourth paragraph there should be inserted a new paragraph as follows –
“We will provide safe walking and other transport options for the elderly and encourage the improvement and expansion of parks and gardens, especially in urban areas.”; and
 - (ii) in the “Health and Wellbeing” section after the fifth paragraph should be inserted a new paragraph as follows –

“We will encourage the improvement and expansion of parks and children’s play facilities, especially in urban areas. We will increase our investment in the public realm.”;

(f) on page 15, Annex 1, in the “Environment” section –

(i) after the third paragraph should be inserted a new paragraph as follows –

“By working together with the Parishes, we will provide safe, and where achievable segregated, routes for walkers and cyclists by reallocating road space around the Island and within the Town area to encourage active travel.”; and

(ii) in the penultimate paragraph after the word “infrastructure” there should be inserted the words “including tree planting and the provision of green spaces,”;

(g) on page 15 of the report in the “Community” section, after the second paragraph there should be inserted the following new paragraph –

“We will continue to work towards ensuring that the services and facilities provided by the Government are accessible and that the government departments have access and inclusion plans in place so that all people are treated equitably.”;

(h) noting the aspects important to Islanders as indicated by the Future Jersey consultation, on page 17 of the report, the words “The table over the page presents some of the key indicators we will use” should be substituted with the following –

“The Council of Ministers will continue to strive to achieve the long-term vision of Future Jersey and work towards delivering the ten desired community outcomes arising from it:

Future Jersey Vision: "An Island loved for its beautiful coast and countryside, rich heritage, diverse wildlife and clean air, land and water. An Island where a sense of community really matters - a safe place to grow up and enjoy life. An Island that offers everyone the opportunity to contribute to, and share in, the success of a strong, sustainable economy.

Wellbeing section	Outcome
Community wellbeing	Children enjoy the best start in life
	Islanders enjoy long, healthy, active lives
	Islanders feel safe and protected at home, work and in public
	Islanders enjoy living in a vibrant and inclusive community
	Islanders are able to afford a decent standard of living

Economic wellbeing	Islanders benefit from a strong economy and rewarding job opportunities
	Jersey is an attractive place to do business
Environmental wellbeing	Jersey's built and historic environment is valued and enjoyed
	Jersey's unique natural environment is protected for future generations
	Jersey's natural resources are managed and used responsibly

We will show our progress using the storyboards and related indicators set out within the Jersey Performance Framework. We will improve the relevance and presentation of the indicators within the Framework to improve their use.
