## **DRAFT AMENDMENT (No. 2) OF THE STANDING ORDERS OF THE STATES OF JERSEY**

### **REPORT**

---

#### *Amendment 1*

This amendment seeks a more comprehensive requirement to declare interests in land or buildings and to a sufficient degree to enable the identification of such properties. It should be noted that the definition of 'land' in the Interpretation (Jersey) Law 1954 includes 'houses and other buildings'.

#### *Amendment 2*

This amendment requires members to declare land which they may not own, but nevertheless, have a financial interest in. For example, a member might reasonably be expected to inherit very significant amounts of land, if owned by his or her parents or grandparents. Such a prospective interest should be declared.

#### *Amendment 3*

This amendment would require members to register any organization of which they were a member.

#### **Financial and manpower implications**

There are no additional financial and manpower implications arising from these changes.
