DRAFT GOODS AND SERVICES TAX (JERSEY) LAW 2007 (APPOINTED DAY) ACT 200-

REPORT

The States Assembly agreed on 13th May 2005 (P.44/2005) to introduce a broad-based, 3% Goods and Services Tax (GST) as from 2008. The GST Primary Law was approved by the Assembly on 18th April 2007, was included on the Privy Council agenda on 25th July and subsequently given Royal Assent. It was registered in the Royal Court on 17th August.

In order for the tax to commence the States are asked to approve this Appointed Day Act. This Act appoints 1st January 2008 as the day on which the provisions of the Goods and Services Tax (Jersey) Law 2007 dealing with registration, and other procedural matters, are to come into force.

The Act appoints 1st May 2008 for the substantive charge to GST, and the remaining provisions of that Law, to come into force, including Part 2 (Imposition of GST).

Financial and manpower implications

It is estimated that 10 staff will need to be employed in order to administer the tax at an approximate operating cost of £1 million per annum. However, a 3% GST should generate approximately £45 million per annum in taxation revenue net of operational costs.

Explanatory Note
