STATES GREFFE

## **PROPOSITION**

**THE STATES are asked to decide whether they are of opinion –**

to request the Chief Ministers and all other Ministers to notify the Assembly of any appointment or dismissal of an Assistant Minister by a Minister through a Statement on a Matter of Official Responsibility made in the Assembly by the Minister concerned at the earliest possible opportunity.

DEPUTY P.V.F. LE CLAIRE OF ST. HELIER

## **REPORT**

The recent events concerning appointments of Assistant Ministerial posts have caused concern that the States has been cut out of the loop, so to speak. This proposal shall at least give members a chance to question Ministers about their selections and de-selections.

### **Financial and manpower implications**

There are no financial or manpower implications arising from this proposition.
