APPENDIX

COMMITTEE OF MANAGEMENT – NOMINEE

Mr. Terence Augustine Le Sueur

Mr. Le Sueur will be known to Members as a former States Member with particular experience in the field of pensions. It is considered that he would bring experience to this role from a variety of perspectives. Having previously been a member of the States Employment Board, and latterly its chairman, he will have an understanding of employer requirements in this area.

As President for several years of the Employment and Social Security Committee, and more latterly with the Treasury function, Mr. Le Sueur has had many years practical experience in the analysis of actuarial advice and valuations relating to pension schemes, and is well up to date with current thinking in these matters. He was also involved as a political representative on various fund investment sub-committees. Previously Mr. Le Sueur spent many years as a practising Chartered Accountant before retiring in 2000.

The Chief Minister is recommending Mr. Le Sueur as having the requisite experience, skills and background to act in the capacity of representative of the Employer's side of the Public Employees Contributory Retirement Scheme Committee of Management.
