DEPUTY A.K.F. GREEN OF ST. HELIER

REPORT

Since lodging my initial amendment I have been able to obtain from the records held by the States Greffe the number of eligible voters for each Vingtaine, and in order to balance the 3 Districts as closely as possible, delete Vingtaine Haut du Mont au Prêtre from St. Helier District 2 and insert it in St. Helier District 1 as illustrated below.

District 1	Eligible
Mont Cochon	1,660
Mont à l'Abbé	5,260
Haut du Mont au Prêtre	2,210
TOTAL	9,130
District 2	
Rouge Bouillon	4,830
Bas du Mont au Prêtre	4,880
TOTAL	9,710
District 3	
Canton de Bas de la Vingtaine de la Ville	850
Canton de Haut de la Vingtaine de la Ville	7,170
TOTAL	8,020
ANALYSIS	
St. Helier total eligible voters	26,860
Division into 3 equal shares	8,953

Deviation from equality in P.64/2013 Amd.(2)			
District 1	9,130	8,953	+177
District 2	9,710	8,953	+757
District 3	8,020	8,953	-933

The intention is to have all 3 Districts as close to 8,953 eligible voters as possible; this can be adjusted further (if required), by Regulations, once the Law is passed.

Financial and manpower implications

The change in the proposed boundaries has no additional resource implications beyond those set out in my amendment (P.64/2013 Amd(2)).
