## **DRAFT EDUCATION (PROVIDED SCHOOLS – AMENDMENT OF LAW) (JERSEY) REGULATIONS 201-**

### **REPORT**

---

The Minister for Education (“the Minister”) is requesting that the name of ‘Jersey College for Girls Preparatory School’ is changed to ‘Jersey College Preparatory School’ within Schedule 1 (Article 3) of the Education (Jersey) Law 1999 (“the Law”), with effect from September 2016.

Jersey College for Girls Preparatory School is a mixed co-educated school from Reception Class to Year 2. At Key Stage 2 (Years 3–6) the school takes female pupils only. There are currently 99 boys educated at the school. For this reason, the Minister has agreed to a change of name for the school to ‘Jersey College Preparatory School’ to reflect the mixed intake of pupils in Reception and Key Stage 1 classes.

The Minister is also requesting the removal of the name of St. James’ School from Schedule 1 (Article 3) of the Law, with immediate effect.

St. James’ School was the special school for primary-age pupils with Social and Emotional Behavioural Difficulties (SEBD). This school was integrated into a mainstream primary school during 2011–2012, following a restructuring of this provision with greater emphasis placed on inclusive work in Jersey’s primary schools. Both the resources and staff were relocated, with the provision being based in a mainstream primary school.

Provided schools are listed under Schedule 1 (Article 3) of the Law. The States may by Regulations amend Schedule 1.

#### **Financial and manpower implications**

There are no financial or manpower implications for the States arising from the adoption of these draft Regulations.

## Explanatory Note

*Regulation 4* provides for the title by which these Regulations may be cited, and for their commencement on 31st August 2016.
