

**WRITTEN QUESTION TO THE MINISTER FOR INFRASTRUCTURE
BY THE DEPUTY OF ST. MARTIN
ANSWER TO BE TABLED ON TUESDAY 16th JULY 2019**

Question

Will the Minister state how many (Permanent Exemption) P30 permits have been issued by the Driver and Vehicle Standards Department in each of the last ten years; and will he further state the physical width of the vehicles that were given permits during that time, breaking those results down into vehicle numbers in each of the following sections: 2.3m-2.35m; 2.35m-2.4m; 2.4m-2.45m; 2.45m-2.5m; 2.5m-2.55m; and above 2.55m?

Answer

Below is a table detailing the last eight years issue of P30 permits (we do not have figures for 10 years)

	<u>2011</u>	<u>2012</u>	<u>2013</u>	<u>2014</u>	<u>2015</u>	<u>2016</u>	<u>2017</u>	<u>2018</u>
	-	-	-	-	-	-	-	-
<u>Total P30's</u>	487	485	427	450	480	502	548	525
<u>Bus Single</u>	97	117	80	92	98	80	80	83
<u>Double Decker</u>	2	8	6	7	15	12	12	12
<u>Plant Vehicles</u>	27	29	31	28	28	29	32	34
<u>Motorhomes</u>	2	1	4	7	9	14	28	21

Unfortunately the information requested regarding widths is not easily collatable as it is kept on individual records.
