2. Government Plan 2022 – 2025 Review The Panel noted and discussed an officer briefing given to the Scrutiny Liaison Committee on 4th March 2021 regarding the Government Plan 2022 to 2025 (the Government Plan). The Panel recalled that it had been indicated that an early version of the Government Plan would be forwarded to it once available and requested that Officers enquire when a draft document could be expected. The Panel noted and discussed draft Scoping Documents and Terms of Reference for review of the Government Plan, for both the Panel and generic templates for standing Scrutiny Panels. The Panel noted that standing Panels would primarily be able to decide which projects under their remit required review, based upon guiding criteria encompassed in the documents. The Panel agreed that additional attention should be included in regard to social impact, impact on children and the debt strategy. The Panel agreed that the generic templates would be forwarded to standing Panels for use in their reviews of the Government Plan. The Panel noted that Public Hearings had been scheduled with the Chief Minister on 15th October 2021 at 15:00 and on 12th November 2021 at 15:00. The Panel noted that Public Hearings had been scheduled with the Minister for Treasury and Resources on 13th October 2021 at 10:00 and on 15th November 2021 at 14:00.	PL
