The Flat, L’Hermitage Farm, St. Saviour: lease.

THE STATES, adopting a Proposition of the Finance and Economics Committee, approved the leasing from Mrs. Monica Billot Cotillard, née Le Quesne, of The Flat, L’Hermitage Farm, Les Varines, St. Saviour, for a period of two years commencing 1st June, 1986, at a weekly rent of £85 fixed for the term of the lease, for occupation by an ex-patriate accountant appointed to the Treasury.

Energy Management Projects: funding. P.81/86.

THE STATES, adopting a Proposition of the Finance and Economics Committee, approved in principle the establishment of a central Capital Vote of Credit to fund energy projects initiated by States’ Committees.

Articulated Vehicles: limits on length. P.83/86.

THE STATES commenced consideration of a Proposition of Senator Richard Joseph Shenton regarding limits on the length of articulated vehicles (lodged on 3rd June, 1986) and accepted an amendment of Senator Pierre François Horsfall that for the word “including” there should be substituted the word “excluding” and after the word “Harbours” there should be added the words “until such time as a suitable facility is available on the reclamation site west of the Albert Pier”, whereupon Senator Shenton requested leave under Standing Order No. 22 to withdraw the Proposition. The States refused leave and the President then granted leave to Deputy Donald George Filleul of St. Helier to move the amended Proposition.

THE STATES adopted the Proposition and requested the Defence Committee to ensure that no articulated vehicle circulating on the Island’s roads (excluding the Harbours until such time as a suitable facility is available on the reclamation site west of the Albert Pier) exceeds the present prescribed maximum length of 35 feet except in the very limited circumstances also presently prescribed.

Members present voted for the amendment as follows –
