Declarations of interest under Standing Order 106 – ruling by the Bailiff

The Presiding Officer informed the States of the following ruling that had been made by the Bailiff in respect of declarations of interest under Standing Order 106 –

“During the debate on Amendment 12 to the Proposed Government Plan 2022-2025 (P.90/2021) I was asked to rule on whether those who have income of more than £250,000 per annum should declare an interest under Standing Order 106 and withdraw from the debate.

I made a provisional ruling but members voted to adjourn to enable me to consider the matter further. I have done so with the benefit of a greater understanding of the reach of Amendment 12 and other relevant matters. My view remains unchanged.

Standing Order 106 so far as is relevant is in the following terms:

‘(1) A member of the States who has, or whose spouse or civil partner or cohabitee has, an interest in the subject matter of a proposition must –

(a) if it is a direct financial interest –

(i) declare the interest, and

(ii) withdraw from the Chamber for the duration of the debate and any vote on the proposition;

(b) if it is not a direct financial interest, but a financial interest which is general, indirect or shared with a large class of persons, declare the interest;

(c) if it is an interest which is not financial, declare the interest.

.....

(4) A financial interest in any subject matter is direct if it is immediate or personal to the person concerned.’

As I understand the Amendment, it applies to:

1. Employers of persons earning more than the upper monthly earnings limit for social security contributions.
2. Self-employed persons earning more than the upper monthly earning limit; and
3. Persons above the annual income limit for Long-Term Care Contributions which is the annual equivalent of the upper monthly earnings limit;

I understand the relevant limit to be a little over £250,000.

It seems to me to be clear that the Amendment applies among others to employed individuals insofar as they have income above the monthly earnings limit for Long-Term Care Contributions.

If the Amendment were to be adopted such persons would have to make a greater contribution than is currently the case. Persons in that category might accordingly be said have a direct financial interest in the subject matter of the proposition.

I am informed that there are some 8-900 persons overall affected by this amendment. I understand there to be approximately 350 in the Social Security category and 450 in the Long-Term Care category. On a strict interpretation of the Standing Order, as persons affected have a direct financial interest, the provisions of Standing Order 106(b) do not fall to be considered. However, were they to be so, I do not consider that such a number is a “large class of persons”.

I have also had the opportunity to review the previous rulings on these provisions and am mindful that this Standing Order has been given a particular interpretation with regard to some taxation matters. Different considerations have applied in those cases as a strict application of that Standing Order with regard to, say, G.S.T. increases or Impôt duty or Income Tax allowances would cause a large number of members (in some cases all) to be required to withdraw. That would be a nonsense.

I do not consider, however, that this debate is in the same category as clearly this applies to relatively few members. My ruling on this matter cannot be of general application, however, as each case will turn on a number of factors.

This matter is not entirely straightforward and, in my judgment, as my predecessors have said in the past, this Standing Order would benefit from careful consideration and refinement. I would hope that the Privileges and Procedures Committee could give this consideration.

However, a ruling must be made and I rule that Standing Order 106 applies to the effect that a declaration of interest should be made by all members where they, their spouse or their civil partner or cohabitee falls within the three categories that I have mentioned, namely: employers of persons earning more than the upper monthly earnings limit of £250,000 for Social Security contributions; self-employed persons earning more than the same limit; and persons above the annual income limit for Long-Term Care Contributions which is in the same amount. A declaration should be made and the member should withdraw from the debate and from the vote.”

Proposed Government Plan 2022-2025 P.90/2021

THE STATES resumed consideration of the proposition of the Council of Ministers entitled ‘Proposed Government Plan 2022-2025’ (P.90/2021), as amended, and rejected an amendment of Senator Samuel Yves Mézec (P.90/2021 Amd.(12)) that, after Paragraph (k), there should be inserted a new paragraph (l) –

“(l) to agree that the Upper Earnings Limit, as defined within the Social Security (Jersey) Law 1974, should be removed, abolishing the upper earnings limit cap on Social Security Contributions and on Long Term Care Contributions, increasing the estimated closing balance of the relevant Funds by £7,000,000 and £8,500,000 respectively”.

and that the existing paragraph (l) should be re-designated as paragraph (m).

THE STATES noted that, in accordance with the provisions of Standing Order 106(a), Senator Kristina Louise Moore and Deputy Gregory Charles Umberto Guida of St. Lawrence declared an interest, as they or their spouse earned more than the Upper Earnings Limit, and withdrew from the Chamber for the duration of the debate on the amendment of Senator Samuel Yves Mézec (P.90/2021 Amd.(12)).

THE STATES resumed consideration of the proposition of the Council of Ministers, as amended, and, adopting the proposition, as amended, received the Government Plan 2022– 2025 specified in Article 9(1) of the Public Finances (Jersey) Law 2019 (“the Law”) and, specifically –

- (a) approved the estimate of total States income to be paid into the Consolidated Fund in 2022 as set out in Appendix 2 – Summary Table 1 to the Report, which was inclusive of the proposed taxation and Impôts duties changes outlined in the Government Plan, in line with Article 9(2)(a) of the Law, except that –
- (i) the 2022 Estimate for Impôt Duties Total should be decreased by £231,000 by increasing the Impôt Duties for Spirits, Wine, Cider and Beer at 1% under R.P.I., with the relevant figures for 2022 in Appendix 2 – Summary Table 1 updated in line with the following table, and subsequent figures updated accordingly –

	2022 Estimate (£000)

Impôt Duties Wine	9,211
Impôt Duties Cider	842
Impôt Duties Beer	6,299

- (ii) in Summary Table 1 the Return from Andium Homes and Housing Trusts should be reduced by £2,750,000 in 2022 to allow for a social housing rents policy whereby rents were frozen for 2022, and capped at 80% of the market rate from 2022 onwards, and that Government should continue to work with Andium to finalise a solution to minimise the impact on both Andium and the Consolidated Fund; and
- (iii) with the proposed taxation and impôts duties changes to include the introduction, following a review by the Minister for Treasury and Resources and no later than 31st December 2022, of a higher Stamp Duty rate for ‘Buy to Let’ investment properties, second homes and holiday homes;
- (b) approved the Changes to Approval for financing/borrowing for 2022, as shown in Appendix 2 – Summary Table 3 to the Report, which might be obtained by the Minister for Treasury and Resources, as and when required, in line with Article 9 (2)(c) of the Law, of up to those revised approvals except that, in Summary Table 3, for the row entitled “Fiscal Stimulus, including Refinancing”, in the column headed “Change to Approval” there should be inserted the figure “-20,359” and, in each of the columns headed 2022, 2023, 2024 and 2025, the figure “50,000” should be replaced with “29,641”;
- (c) approved the transfers from one States fund to another for 2022 of up to and including the amounts set in Appendix 2 – Summary table 2 to the Report, noting that the transfer from the

Consolidated Fund to the Technology Fund was subject to the Assembly's approval of a proposition to create such a Fund in 2022, in line with Article 9(2)(b) of the Law, except that the proposition to create such a fund should explicitly seek the Assembly's approval of the purpose and terms of that fund;

- (d) approved each major project that was to be started or continued in 2022 and the total cost of each such project and any amendments to the proposed total cost of a major project under a previously approved Government Plan, in line with Article 9(2)(d), (e) and (f) of the Law and as set out in Appendix 2 - Summary Table 4 to the Report;
- (e) endorsed the efficiencies and other re-balancing measures for 2022 contained in the Government Plan as set out in Appendix 2 Summary Table 6, with amendments made as appropriate to reflect the establishment of the Ministry of External Relations as provided for in paragraph (f), and reflected within each gross head of expenditure in Appendix 2 – Summary Table 5(i);
- (f) approved the proposed amount to be appropriated from the Consolidated Fund for 2022, for each head of expenditure, being gross expenditure less estimated income (if any), in line with Articles 9(2)(g), 10(1) and 10(2) of the Law, and set out in Appendix 2 – Summary Tables 5(i) and (ii) of the Report, except that –

 - (ii) in Summary Table 5(i) – 2022 Revenue Heads of Expenditure, the Head of Expenditure for Customer and Local Services should be decreased by £1,849,000 to allow for a reduction in expenditure arising from a social housing rents policy whereby rents were frozen for 2022 and capped at 80% of the market rate from 2022 onwards, and that the Head of Expenditure for Covid-19 Response be reduced by £901,000 to meet the net impact of the rent freeze;

- (viii) in summary table 5(i), an additional row should be inserted under 'Departments' with the name 'Ministry of External Relations', and with '145' inserted under the column for 'Income', '2,918' inserted under the column for 'Expenditure Allocation' and '2,918' inserted in the column for 'Head of Expenditure', with the figures for the Office of the Chief Executive, within which External Relations was currently based, being adjusted down accordingly so that the formal establishment of the Ministry of External Relations in this Government Plan was cost neutral;
