10. The Minister for Transport and Technical Services will table an answer to a question asked by Deputy R.G. Le Hérissier of St. Saviour regarding the subsidy paid to Connex in respect of the operation of the bus service.

(b) – Oral Questions (90 minutes) -

1. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Treasury and Resources–

“Would the Minister inform members how many responses were received to the request for information (RFI) over the implementation of the GST information management system and whether the response rate was lower than anticipated? If so, what measures he has put in place to deal with this and will he give members details of the progress of the request for proposal (RFP) process now underway?”

2. Senator B.E. Shenton will ask the following question of the Minister for Transport and Technical Services –

“Would the Minister inform members whether any actions have been taken to recover the £186,802 paid to Connex in respect of shift allowance, (Recommendation 6 of the Committee of Inquiry into the tender process and award of the bus contract), and, if not, would he advise whether he intends to take any action and, if so, when, explaining the reason for the delay and whether interest will also be claimed?”

3. Deputy S. Pitman of St. Helier will ask the following question of the Chief Minister –

“Would the Chief Minister inform members whether he was consulted by the Bailiff on the content of the recent speech given by the Bailiff to the Liechtenstein Dialogue on the Future of Financial Markets, and does the Chief Minister concur with the statement in that speech that “lip service is paid to tax competition?”

4. Deputy J.A. Martin of St. Helier will ask the following question of the Minister for Treasury and Resources –

“Following the issue to the majority of the working population of assessment notices showing the total income tax payable for 2005, would the Minister inform members of the methods that are in place to allow taxpayers to claim back any overpayment made through ITIS?”

5. Senator J.L. Perchard will ask the following question of the Minister for Transport and Technical Services –

“Would the Minister inform members whether the recent tender process for the school and summer leisure bus services was conducted on a ‘level playing field’ basis for all tenderers and is he able to give an assurance that there will be no extra costs attached to the successful bid or a decline in the current quality of service?”

6. The Connétable of St. Helier will ask the following question of the Minister for Education, Sport and Culture –

“Would the Minister explain what plans he has, if any, to mark the 200th anniversary of Fort Regent?”

7. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Treasury and Resources –

“Would the Minister inform members what period of time the balance figure on the recent issued income tax assessment advice notices for 2005 referred to and whether, because of rounding up of ITIS rates, most taxpayers will have overpaid by the end of the year?”

8. Deputy K.C. Lewis of St. Saviour will ask the following question of the Minister for Economic Development –

“In view of the forthcoming introduction of goods and services tax (GST), and in light of the fact that the import of low value goods purchased via the internet shopping will not attract GST, what measures, if any, will the Minister take to assist local businesses and retailers who have to pay very high rents?”

9. Deputy D.W. Mezbourian of St. Lawrence will ask the following question of the Minister for Education, Sport and Culture –

“Will the Minister advise the Assembly what plans, if any, he has to amend the minimum term of residency that is currently required before becoming eligible to receive funding towards university costs?”

10. Senator J.L. Perchard will ask the following question of the Minister for Transport and Technical Services—

“Would the Minister advise members what the average seating capacity of the vehicles being obtained by Connex for the school bus service is and how this compares with the average capacity of the vehicles under the current contract, inform members whether the capacity of the new vehicles will be sufficient to meet demand and, if not, whether the States will be liable to meet the cost of additional vehicles?”

11. Deputy R.G. Le Hérisier of St. Saviour will ask the following question of the Minister for Health and Social Services –

“Would the Minister advise members what procedures, if any, are currently in place to deal with complaints made against senior officers of his Department?”

12. Deputy J.A. Martin of St. Helier will ask the following question of the Minister for Social Security –

“Following his answer to a written question on 10th October 2006, in which he stated that “the computer holds about 400,000 individual records of which about a quarter are active” is the Minister able to advise members from this figure how many of these people are currently working and paying social security contributions?”

13. The Connétable of St. Helier will ask the following question of the Minister for Transport and Technical Services –

“Would the Minister explain whether he has replied to the letters of 30th May and 10th August 2006 seeking his views on the Parish of St. Helier Roads Committee’s Draft Cycling Strategy, and, if not, advise when his response will be forthcoming?”

14. Deputy C.J. Scott Warren of St. Saviour will ask the following question of the Minister for Treasury and Resources—

“In view of the fact that the Citizens’ Fund will not be in place until next year as part of the Low Income Support Scheme, and that the Community Savings and Credit Ltd has run out of emergency funding, what action, if any, is the Minister taking to address this current gap in provision?”

15. Senator B.E. Shenton will ask the following question of the Minister for Economic Development –

“Following the increase in the grant to Jersey Finance Ltd for 2007 to £1,000,000 as shown in the Annual Business Plan 2007 would the Minister inform members whether the terms of this grant have been properly recorded and defined and would he state what performance measurement criteria, if any, will be utilised to ensure that this taxpayers’ money is well spent?”

16. Deputy K.C. Lewis of St. Saviour will ask the following question of the Minister for Home Affairs –

“Would the Minister advise members whether the proposed anti-discrimination legislation currently subject to public consultation, and which proposes making it illegal, (punishable by a fine of up to £10,000) to discriminate against anyone on the grounds of race or ethnic origin, will be compatible with the fact that businesses in Jersey are currently encouraged to give priority to local applicants for employment?”

(c) – Questions to Ministers without notice (30 minutes) -

1st question period – Minister for Treasury and Resources.

2nd question period – Minister for Home Affairs.

WRITTEN QUESTIONS

(See Item I(a))

1. The Minister for Planning and Environment will table an answer to the following question asked by Deputy K.C. Lewis of St. Saviour –

“Following the recent show-jumping event at which some person or persons gave a sedative drug to at least four ponies, does the Minister intend to bring forward for approval proposals to make it illegal to administer drugs to horses and ponies unless this is done or authorised by a veterinary surgeon to ensure that no injuries to riders can occur as a result of a sedative being administered by an unauthorised person and, if not, why not?”

2. The Minister for Home Affairs will table an answer to the following question asked by Deputy K.C. Lewis of St. Saviour –

“Following recent reports concerning mobile phones in the possession of inmates at H.M. Prison La Moye would the Minister inform members whether it would be possible, and lawful, for mobile phone signals to prisoners to be blocked by the prison authorities and, if not, does the Minister intend to take any action to bring forward amendments to relevant legislation to address this issue?”

3. The Minister for Social Security will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“In answer to a question on 10th October 2006 on pensions, the Minister stated that he will review the need for regulation as part of the preparation of ‘a co-ordinated plan’ on the ageing population ‘by 2010’. Will the Minister inform members when this review will commence and when members will see any initial terms of reference or consultation documents?”

4. The Minister for Economic Development will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“Would the Minister inform members what budgets have been allocated to support events to promote ‘event-led tourism’ over the years 2005 to 2007 and would he set out which events have been, or will be, supported and to what amount?”

5. The Minister for Economic Development will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“Would the Minister inform members what consultation, if any, took place between him and the Department’s Accounting Officer in deciding to award additional funding of £50,000 and £45,000 to the Battle of Flowers Association this year? Would he inform members what advice he received and whether he over-ruled the Department’s Accounting Officer in this matter?”

6. The Chief Minister for Home Affairs will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“Would the Chief Minister inform members –

- (a) what progress, if any, has been made to date in the establishment of a population register?
- (b) whether or not the future scheme will involve some form of identity card and, if so, would he advise members whether the data will be made secure and, if so, at what cost?
- (c) what information, if any, will be attached to any ‘unique identifier’ produced by the register?

- (d) which departments are actively engaged in working to produce the register?
- (e) what level of liaison, if any, has there been with the Data Protection Registrar?
- (f) what timescale is envisaged for law drafting and bringing this project to the States?
- (g) whether the current proposed timetable is realistic in light of progress made to date?"

7. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“In an answer to a question on trusts on 10th October 2006 the Minister stated that there was ‘always a risk that a Jersey trust will be attacked by a disgruntled person’. Would the Minister inform members whether discussions have taken place with the United Kingdom Treasury to ascertain whether the recent amendments giving wide reserved powers to a settlor are acceptable to the Treasury and, if so, would he give members details of the discussions that have taken place?”

8. The Minister for Home Affairs will table an answer to the following question asked by Deputy G.C.L. Baudains of St. Clement –

“With reference to the recently released States of Jersey Police Third Quarter Performance Report, would the Minister –

- (a) advise whether the data contained in the report is compiled by the States of Jersey Police and, if so, whether it is independently verified?
- (b) give details of the methodology used to determine the figures under the Customer Focus heading (Figures 9 and 10) and state whether the survey was independently carried out or verified?
- (c) supply evidence supporting the statement ‘Speed strips laid down on major routes with 30 mph restrictions over the past couple of years identified that between one and two thousand motorists were speeding at 36 mph or more per day at each location’. In particular would she inform members –
 - (i) how many routes are monitored and how often, what the daily traffic flow is on these routes, and what the percentile speeds logged were?
 - (ii) what the accident record of these routes is compared with the Island average and explain the methodology used to obtain that comparison?
- (d) undertake to discuss the speed limits for roads where the statistics show that more than 50% of motorists are doing ‘36 mph or more’ with the Minister for Transport and Technical Services to ascertain whether the current speed limit in the areas concerned is realistic?
- (e) with reference to Figure 13, give a comparison of those figures with the percentage that each nationality forms of the total population.”

9. The Minister for Planning and Environment will table answers to the following questions asked by Deputy G.C.L. Baudains of St. Clement-

“1. Would the Minister advise members –

- (a) whether all aspects of the meteorological infrastructure, such as the weather radar, are currently fully operational and, if not, why not?
- (b) what processes are in place to monitor the quality of local weather forecasts and compare their accuracy with other jurisdictions?
- (c) how much of the data used in local forecasting is bought in and how much is locally generated?

2. (a) Would the Minister inform members what control, if any, is in place over Jersey forecasts supplied from the United Kingdom through Jersey Met and whether local purchasers of those forecasts have any recompense when the system fails?

(b) Would the Minister investigate why a customer who purchased a forecast from Jersey Met for the weekend of 14th/15th October 2006 was sent a forecast for Wednesday 13th and Thursday 14th September 2006 and, having complained, was told by Jersey Met that it was nothing to do with Jersey because the fault was in the UK?”

10. The Minister for Transport and Technical Services will table an answer to the following question asked by Deputy R.G. Le Hérissier of St. Saviour –

“(a) Would the Minister advise members what subsidy was paid to Connex for operating the bus service in the year 2005?

(b) Would the Minister inform members whether all additional routes, for example the Airport Express Service or the new No.10, are set up on the basis that any losses will be sustained by the taxpayer? If so, would the Minister state what losses, if any, were sustained on the recently terminated Airport Express Service?”
