“In the light of his Assistant Minister’s statement that he is lobbying against the proposed deemed rental charge what is the Minister’s position on this, how does he propose to ensure a level playing field for locally owned businesses and will he give a guarantee that it will not be ordinary working people who end up being taxed to make up the £5 million shortfall?”

The following question was deferred from the meeting of 3rd February 2009 and was inadvertently left off the main Order Paper for this meeting –

24. Deputy K.C. Lewis of St. Saviour will ask the following question of the Minister for Health and Social Services –

“Will the Minister be seeking to ban the so called legal-high drugs available in the Island?”
