I. QUESTIONS
(b) – Oral Questions

The following question has been altered from the version shown on the principal Order Paper to reflect the fact that the cessation of the national and local Teletext service was the result of a decision by Teletext UK and not Channel Television –

3. The Deputy of St. John will ask the following question of the Minister for Economic Development –

“Following Teletext UK’s closure of the national and local Teletext services for the Harbours and Airport as well as the Weather/Met pages, what actions, if any, have been taken to enhance the existing services provided by the BBC’s Ceefax, which currently provides a partial Airport service on Page 462?”
