**(b) – Oral Questions**

(120 minutes)

1. Deputy A.E. Jeune of St. Brelade will ask the following question of the Minister for Health and Social Services –  
  
“Would the Minister advise what the waiting time target is at the Pain Clinic, from receipt of referral to being seen by the Consultant; what percentage of referrals are seen within this timeframe and what the current waiting time is from the receipt of referral to an appointment with the Consultant in this clinic?”
2. Deputy P.V.F. Le Claire of St. Helier will ask the following question of the Minister for Transport and Technical Services –  
  
“Would the Minister advise whether he has received advice from the Law Officers' Department concerning the system used for issuing parking fines on the streets of St. Helier and, if so, would he advise whether the system is ultra vires, whether all fines collected in this way will have to be reimbursed and will he agree to release the correspondence containing this advice to the Assembly?”
3. The Deputy of St. Martin will ask the following question of the Minister for Health and Social Services –  
  
“Given that a hospital Consultant and 2 Middle Grade doctors have performed no clinical work since October 2006, December 2008, and August 2009 respectively, and that a fourth Middle Grade doctor is undertaking restricted duties only, will the Minister state how many different locum doctors have been employed to do the work of the 4 affected doctors, and what is the cost of these locums to date?”
4. The Deputy of St. John will ask the following question of the Minister for Transport and Technical Services –  
  
“Will an appeal procedure be available to anyone who is adversely affected by routes amended by the new summer bus timetable?”
5. Senator J.L. Perchard will ask the following question of the Chief Minister –  
  
“As Chairman of the States Employment Board, what action, if any will the Chief Minister be taking to limit the level of payment granted in a severance package to any employee of the States of Jersey who, for whatever reason, is leaving their position?”
6. Deputy T.A. Vallois of St. Saviour will ask the following question of the Minister for Transport and Technical Services –  
  
“Given that the funding proposition for the Energy from Waste plant put forward by the

Minister for Treasury and Resources and debated in 2008 established funding of £106,310,000, of which £2,080,000 was determined as the required amount for the decommissioning of Bellozanne in 2012, would the Minister advise whether he has had to bid for further funding and, if so, explain why?”

7. Deputy R.G. Le Hérisier of St. Saviour will ask the following question of the Chairman of Public Accounts Committee –

“Given that recent reports from the Public Accounts Committee have cited the absence of enforceable accountability as a major weakness in the structure of government, would he outline what reforms, if any, the Committee proposes?”

8. Senator S.C. Ferguson will ask the following question of the Minister for Planning and Environment –

“The 160 acres of land reclaimed in St Helier has been economically beneficial to Jersey. Why does the new Island Plan say the preferred option for disposing of solid waste, such as building rubble, is to fill in disused quarry workings because the marine habitat is “ of higher importance and more sensitive than terrestrial habitats”? [ Island Plan 11.91.]?”

9. Senator B.E. Shenton will ask the following question of the Minister for Health and Social Services –

“Given the announcement of the World Health Organisation’s International Agency for Research on Cancer that mobile phones may cause glioma, a type of brain tumour that starts in the brain or spine, with the Minister give assurances that she will keep Islanders fully informed of any health risks connected with mobile phone use?”

10. Senator F. du H. Le Gresley will ask the following question of the Minister for Social Security –

“What additional measures, if any, are being put into place to assist the 190 people who have been unemployed and actively seeking work for more than 52 weeks and how many in this group, as at the 30th April 2011, were aged between 16 and 19 years?”

11. The Connétable of St. Mary will ask the following question of the Chief Minister –

“Further to reports that the BBC’s Channel Island news service could be under threat in the wake of the Broadcaster’s aim of making multi-million pound savings across its entire operation, will the Chief Minister advise whether he considers this to be a matter of concern and whether this has been discussed at the Council of Ministers and, if so, has any representation been made to the Corporation?”

12. Deputy S. Pitman of St. Helier will ask the following question of the Minister for Education, Sport and Culture –

“Following his response to my question on 17th May 2011, would the Minister advise whether the CCTV cameras at Springfield Stadium are now in operation and, if so, when are they switched on and for how long?”

13. Deputy K.C. Lewis of St. Saviour will ask the following question of the Minister for Home Affairs –

“Further to the statement in the Customs and Immigration Service’s Annual Report 2010 that the complement of Customs and Immigration officers is three below minimum operating effectiveness due to funding cuts in previous years, will the Minister be applying for funds from the Criminal Offences Confiscations Fund to enable the department to be brought back up to strength?”

14. Deputy G.P. Southern of St. Helier will ask the following question of the Chief Minister -

“Further to the information in the Customs and Immigration Service’s Annual Report 2010 that 178 work permits were issued in 2010 for non-EU citizens to work in the finance, medical and legal sectors, will the Chief Minister state whether the Strategic Plan aim of capping inward migration at 150 heads of household is being achieved and confirm whether the employees on work permits are counted in the overall immigration total?”

15. The Deputy of St. Mary will ask the following question of the Chief Minister –

“Would the Chief Minister confirm whether FG Hemisphere is using the courts in Jersey to enforce debt repayments by the Democratic Republic of Congo in a way which has just been outlawed by the UK Parliament and, if so, does the CM think it is appropriate for the Jersey courts to be used in this way, and what actions, if any, has he taken and does he propose to take on this matter?”

16. Deputy M. Tadier of St. Brelade will ask the following question of the Minister for Education, Sport and Culture –

“Will the Minister update the Assembly on the current state of disabled facilities and access for students at Highland's college, including any future upgrades and refurbishment?”

17. Deputy M.R. Higgins of St. Helier will ask the following question of the Minister for Economic Development –

“Could the Minister explain how and where he expects the private sector to generate the jobs required to provide employment to those currently unemployed, to meet the needs of our school leavers and to replace those jobs expected to be lost in the public sector, which a University of Manchester study shows has been responsible for nearly 60% of the growth in jobs in the United Kingdom since 1997?”

18. Deputy T.M. Pitman of St. Helier will ask the following question of the Chief Minister –

“Will the Chief Minister clarify the exact sums paid as ‘golden handshakes’ to two civil servants, clarify who was paid which sum and explain why such large payments were considered justified?”

19. Deputy M. Tadier of St. Brelade will ask the following question of the Minister for Transport and Technical Services –

“Will the Minister advise what plans, if any, he has to introduce kerb-side collection for recyclables on an island-wide basis?”

20. The Deputy of St. Martin will ask the following question of the Chief Minister –  
“Will the Chief Minister inform Members of the cost of the investigation into my serious complaint against a senior civil servant and given that the Wiltshire Report was put into the public domain, will the Investigator's Report be made public and if not, why not?”
21. Deputy R.G. Le Hérisier of St. Saviour will ask the following question of the Chief Minister–  
“To what extent were the purported final payments to two senior civil servants determined by the results they achieved?”
22. The Deputy of St. John will ask the following question of the Minister for Economic Development-  
“Would the Minister confirm that arrivals figures have increased and, if so, would he detail whether the increase is in day-tripper footfall or staying guests, and, if the latter, in which type of accommodation they are staying, indicating the level of star if a hotel or guest house or whether they are believed to be staying with friends?”
23. The Deputy of St. Mary will ask the following question of the Chief Minister –  
“In the light of the forthcoming debate on the draft Island Plan 2011, will the Chief Minister tell members the latest intentions of the Council of Ministers with regard to the population which the Council considers is right for the Island, and how the Council will achieve this?”
24. Senator S.C. Ferguson will ask the following question of the Minister for Home Affairs –  
“Given the recent upset in St. Brelade’s Bay, is there any reason that the Honorary and States of Jersey Police should not have the power to breathalyse youngsters under the age of 18 and to impose an immediate curfew on those found to have imbibed alcohol?”
25. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Social Services –  
“Does the Minister consider that the public is sufficiently informed on all the options to deal with the funding of the States pension and detail for members the consultation process he has engaged in to assure himself that he has the public’s support for the proposals to raise the pension age?”

16. H.M. Attorney General will table an answer to the following question asked by Deputy M.R. Higgins of St. Helier–

“Have the Courts in Jersey ever issued ‘super injunctions’ which prevent not only the disclosure of certain facts, such as the identity of the parties to an injunction, but also that such an injunction exists at all?”

17. The Minister for Economic Development will table an answer to the following question asked by Deputy M.R. Higgins of St. Helier–

“Does the Minister see any signs of recovery in the economy and in particular will he explain in which sectors he envisages there will be an increase in employment in the Island over the next 12 months?”

18. The Minister for Economic Development will table an answer to the following question asked by Deputy M.R. Higgins of St. Helier–

“Can the Minister advise members whether the new copyright law is compatible with the 10 major recommendations made by Professor Ian Hargreaves to free-up restrictive intellectual property and copyright laws that ‘obstruct innovation and economic growth in the UK’ or will the Minister have to make amendments to the Jersey law to take them on board?”

19. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy P.V.F. Le Claire of St. Helier–

“Is there a plan to re-locate the ambulance site from Rouge Bouillon and if so what estimate has been made of the amount of housing able to occupy this site?”

20. The Chief Minister will table an answer to the following question asked by the Deputy of St. Martin –

“Will the Chief Minister inform Members of the number of States employees and Police Officers who were suspended in 2010 and to date in 2011, detailing in each case the specific Department concerned, when the suspension began and when it was terminated?”

21. The Minister for Health and Social Services will table an answer to the following question asked by Deputy A.E. Jeune of St. Brelade—

“Would the Minister advise the number of Consultant posts for the Emergency and Unscheduled Care Department (Accident and Emergency); the number of Consultants currently engaged; whether there is 24 hour coverage, and, if not, explain why and outline what coverage is given?”

22. The Minister for Health and Social Services will table an answer to the following question asked by Deputy A.E. Jeune of St. Brelade—

“Further to the response given on 15th March 2011 to an oral question, when the Assistant Minister advised that the remuneration level for the new Director of Social Services was ‘still under negotiation and all these jobs have to be benchmarked’, would the Minister advise whether the negotiations have now been concluded, detail what remuneration and benefits, if any, have been agreed and describe what ‘benchmarking’ criteria were applied?”

23. The Minister for Health and Social Services will table an answer to the following question asked by Deputy A.E. Jeune of St. Brelade—

“Further to the response given to my oral question on 17th May 2011 by the Assistant Minister, when she stated that the contracted postholder for the Head of Nursing for Emergency and Unscheduled Care was still in post ‘being paid exactly what he was under his fixed term contract’, would the Minister state what is the current employment status of this individual, given that his contract expired at the end of April 2011, what salary is being paid and what expenses, if any, are being met?

Would she identify where and when the substantive post has been advertised, the closing date for applications and when and where interviews are to be held?”

24. The Minister for Health and Social Services will table an answer to the following question asked by Deputy A.E. Jeune of St. Brelade—

“Would the Minister advise –

- (a) the number of recorded complaints received by each Department/Directorate during 2010;
- (b) the number of complaints received by each Department/Directorate during the first 4 months of 2011;
- (c) identify how many complaints were resolved within the agreed 25 day response target;
- (d) the length of time each remaining complaint took to be resolved;
- (e) whether all the unresolved complainants were updated of progress by the Complaints Officer every 20 days in accordance with the advice contained within the Health and Social Services’ complaints leaflet (‘Raising Concerns/Making a Complaint – a guide for users of the service’)?”

25. The Chairman of Privileges and Procedures Committee will table an answer to the following question asked by the Deputy of St. Martin—

“Following the Privileges and Procedures Committee’s comments on P.69/2001 (Standing Orders; Publication of Register of Members’ interests), will the Chairman advise –

- (a) the name of the States Member who submitted correspondence;
- (b) when the correspondence was received;

- (c) when was it considered by the Committee and, if a vote was taken on the outcome, detail the vote;
- (d) what were the Member's concerns particularly regarding security implications for States Members and their families;
- (e) how could the published information be misused and what evidence is there of misuse in other jurisdictions;
- (f) why might the publishing of Members' Interests online discourage people from standing for office, when they are available at Morier House already;
- (g) whether the Committee undertook research as to whether risk assessments and data protection implications were undertaken before the States of Guernsey, the UK House of Commons, the Scottish Parliament, the National Assembly for Wales and Eire agreed to publish registers of members' interests on line, and, if so, what was the outcome;
- (h) whether the Committee shares the views expressed to it that a risk management report and review of data implications should be undertaken prior to a decision to publish the register online?"

26. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy T.A. Vallois of St. Saviour–

“Could the Minister please detail the funding that has been released, so far, from the Central Allocation of £15 million to departments, as agreed in the Annual Business Plan 2011?”

27. The Chief Minister will table an answer to the following question asked by Deputy R.G. Le Hérissier of St. Saviour–

“How many Interim Managers are currently employed in the Human Resources Department either centrally or assigned to Departments?

What is the inclusive cost of each interim contract?”

28. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy T.M. Pitman of St. Helier–

“What increase in tax take would result from 1(1)(k) residents being taxed at the rate of 25 per cent rather than 20 per cent, based on the current number of 1(1)(k) residents?”

29. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy T.M. Pitman of St. Helier–

“Does the Minister stand by his statement that historically ‘no deals’ were or have ever been entered into with 1(1)(k) residents and, if so, would he categorically confirm that at no time has the Treasury set minimum annual tax levels which were met exactly by the prospective resident, irrespective of their wealth?”

30. The Chief Minister will table an answer to the following question asked by Deputy T.M. Pitman of St. Helier–

“Will the Chief Minister clarify whether or not the reported 'golden handshakes' amounting to approximately £800,000 were paid/are being paid to two senior civil servants; what the sums are in relation to each individual; from which fund they are to be paid and under what justification?

Further still, how were these sums determined and who ultimately made the decision to pay these sums?”

31. The Minister for Health and Social Services will table an answer to the following question asked by Deputy S. Pitman of St. Helier–

“Would the Minister provide figures, on a year by year basis, for the levels of–

- (a) obesity related illnesses treated by her Department over the past 20 years;
- (b) those who have developed diabetes as a consequence of poor dietary choices over the past 20 years;
- (c) other illnesses related to poor diets (listing them in order of frequency) treated by her Department over the past twenty years?”

32. The Minister for Health and Social Services will table an answer to the following question asked by Deputy S. Pitman of St. Helier–

“Would the Minister provide an estimate of the cost to the Health Service over the last ten years of treating illnesses and health issues relating to obesity and further still, the costs relating to the treatment of diabetes and illnesses/conditions linked to poor diets?”

33. The Minister for Health and Social Services will table an answer to the following question asked by Deputy S. Pitman of St. Helier–

“What progress, if any, has been made since the Minister advised the Chamber that her Department had commenced the compilation of a list of healthy foods for GST exemptions?”

34. The Minister for Education, Sport and Culture will table an answer to the following question asked by Deputy S. Pitman of St. Helier–

“What healthy eating programmes have been implemented centrally by the Department, for both schools and the Youth Service over the last ten years and which, if any, are currently still in operation?”

35. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy T.A. Vallois of St. Saviour–

“Could the Minister provide a detailed breakdown of the allocation of the £133.69 million remaining from funds of £240 million which were identified by the Treasury Department in the consolidated fund as ‘unallocated’ (P.73/2008 ‘Energy From Waste Facility: Funding’ refers).

What would the current financial position would be as of May 2011 if the Energy from Waste Plant had continued to be funded via a borrowing structure?”

36. The Chief Minister will table an answer to the following question asked by the Deputy of St. Mary–

“In the light of the UK government’s interest and involvement in this area, can the Chief Minister inform members what steps, if any, the Council of Ministers and/or his own Department has taken to consider different ways of establishing what the levels of well-being, happiness, and fulfilment are across the Island population?

Has consideration been given to using these levels as the supreme measures of the Island’s progress (or lack of it), instead of ‘prosperity’, as evidenced by Gross National Income or Gross Value Added?”

37. The Minister for Planning and Environment will table an answer to the following question asked by the Deputy of St. Mary–

“Will the Minister provide –

- (a) details of the development, as passed, at the Wolf’s Caves site, including the number of rooms, facilities etc.;
- (b) elevations of the house;
- (c) plans of the house, the additional facilities, the garden, the planting agreed and the car parking, both private and public;
- (d) details as to who determined the application – the Minister or Panel;
- (e) advise whether letters of objection to the scheme were taken into consideration; and,
- (f) which planning zones the site is in, or adjoins, and what policy constraints applied to this site and the policy references for all these in the Island Plan 2002?

Would the Minister advise the exact increases in footprint (with and without overhang), floor area and height of the development in comparison to the former building and explain how this was justified?

What provision, if any, for public parking was approved and how was the use of a field in the Green Zone justified?

Why was the creation of an area of woodland on this site permitted?

How does the development accord with the goal of the Planning Law 2002 to ‘ensure that the coast of the Island is kept in its natural state’?”

38. The Minister for Transport and Technical Services will table an answer to the following question asked by Deputy M. Tadier of St. Brelade–

“Will the Minister inform members how many complaints have been received since 2008 by his Department and Connex regarding buses which have gone past full and unable to stop?

Will the Minister outline what the policy is on providing ‘relief buses’ when buses are full, or explain, in the absence of set policy, what the current practice is?”

39. The Minister for Health and Social Services will table an answer to the following question asked by Deputy M. Tadier of St. Brelade–

“Can the Minister state whether there are any plans to close the main kitchens at Queen’s House at St Saviour's Hospital?”

40. The Minister for Health and Social Services will table an answer to the following question asked by Deputy M. Tadier of St. Brelade–

“Can the Minister advise what Nursing accommodation is provided in the Island; the age and general condition of the furniture and fittings within the same and what feedback, if any, she has received from staff as to the state of this accommodation?

Are there plans there are to refurbish any of the said areas and, if so, can she provide details?”

41. The Minister for Health and Social Services will table an answer to the following question asked by Deputy M. Tadier of St. Brelade–

“Will the Minister give a break-down of all the specializations (e.g. autism, Alzheimer’s, cerebral palsy, geriatrics) currently catered for by the Four Seasons Care Home, St Saviour, to include a list of total numbers currently at the home, both resident and those in respite care?”

42. The Minister for Transport and Technical Services will table an answer to the following question asked by

Deputy M. Tadier of St. Brelade—

“Following on from the introduction of some ‘separation at source’ litter bins by the Parish of St. Helier does the Minister have any plans to introduce similar bins to areas under his Department's control and, if so, will he provide details?”

43. The Minister for Economic Development will table an answer to the following question asked by the Deputy of St. Mary—

“In view of the continuing high cost of living in Jersey, can the Minister provide Members with details of the Jersey Competition Regulatory Authority’s (JCRA) inquiry into the costs of goods in Jersey, which he announced during the debate on GST on 19th May 2011?

Will the inquiry cover the whole chain of importation?

What powers will the JCRA have?

What are the terms of reference for this inquiry?

Can the Minister provide details of the monitoring carried out by the Economic Development Department into the costs of trading in Jersey compared to the costs in other jurisdictions?”

44. The Minister for Transport and Technical Services will table an answer to the following question asked by the Deputy of St. Mary—

“Can the Minister give members details of the consideration given by his Department to limiting the emissions of particles of PM2.5 size and smaller from the Energy from Waste Plant, what research they have done or have considered in this area, and what measures, if any, they propose to take to monitor and limit these emissions?”

45. The Chief Minister will table an answer to the following question asked by the Deputy of St. Mary—

“What overall co-ordinated plan does the Council of Ministers have for creating jobs and reducing energy bills and fossil fuel dependency by stimulating the ‘green energy’ sector of our economy in all its different forms, and if it does not have such a plan can the Chief Minister give a date by which such a plan might be in existence and what the plan might consist of?”

46. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy G.P. Southern of St. Helier—

“Following the publication of the latest unemployment figures, will the Minister explain what positive signs he saw in them, given that unemployment has risen to its highest seasonally adjusted mark over the period since January 2009?

What additional concrete measures, if any, does he have under consideration, in conjunction with other Ministers, to create jobs rather than train the 2 in 5 of the unemployed who are under 25 years of age for work and if none, why not.?

Apart from an immediate rise in the cost of living as a result of the increase in GST to 5% what impact does he expect this tax rise to have on employment figures especially in the retail sector which accounts for around half the latest rise and one fifth of the unemployed overall?”

47. The Minister for Social security will table an answer to the following question asked by Deputy G.P.

Southern of St. Helier–

“Notwithstanding the responses he gave on 3rd May 2011, will the Minister concede that the case made in his proposition P.58/2011 to raise the pension age is premature in that it commits the States to a very specific set of actions without full consultation on the alternatives and, if not, why?”

Does the Minister agree that the reduction in contribution rates for the changes proposed is relatively small amounting to 10% on the 2036 rate and only a 2 year extension to the year in which the fund is extinguished?”

Does the Minister accept that over 50 per cent of those responding to the Jersey Annual Social Survey 2010 indicated that they would *need* to work beyond pensionable age rather than expressing a desire to do so?”

48. The Minister for Social Security will table an answer to the following question asked by Deputy G.P. Southern of St. Helier–

“To what extent does the Minister accept the disclaimer contained on page 17 of the Government Actuary’s (GAD) Supplementary Report dated 15th September 2009, has been properly heeded in presenting an increase in the pension age as the best option for maintaining the Social Security funds?”

Will the Minister agree to release the content of this report in readable form, in order to fully consult over the options for change with the Jersey public?”

49. The Minister for Economic Development will table an answer to the following question asked by Deputy G.P. Southern of St. Helier–

“What measures, if any, does the Minister have under consideration to boost confidence in the Island’s economic situation especially in the retail sector following the pessimistic views expressed by Islanders within the ‘Island Analysis’ survey?”

To what extent does the Minister attribute the results, in which 58% of Jersey respondents believed the economy would get worse, to the imposition of the rise in GST at the end of May 2011?”

50. The Chief Minister will table an answer to the following question asked by Deputy G.P. Southern of St. Helier–

“Does the Chief Minister have any figures for Jersey households relating to the real earnings and standards of living for both low and middle earning families and, if not, will he undertake such research in the light of the Jersey Annual Social Survey 2010 figures which reveal that 2 in 5 of all families except those in the top quintile report financial difficulties?”

What measures, if any, does the Council of Ministers have under consideration to research the impact of the following on household finances and, if none, would he explain why:

- (i) Costs of childcare
- (ii) Mortgage availability and costs
- (iii) High rents
- (iv) Taxation policy

Will the Chief Minister outline what scope there is for action to ameliorate the impact of the above factors on family finances in the 2012 Business Plan and Budget?”

51. The Chairman of the Privileges and Procedures Committee will table an answer to the following question asked by Deputy S. Pitman of St. Helier–

“Will the Chairman clarify what has been the approximate cost to the taxpayer in holding the five debates

relating to the reduction of Senators and the related debates on rescindment and public referendum?”
