DR. M. EGAN
Greffier of the States

Note –

In accordance with the meeting dates fixed for 2016 by the Privileges and Procedures Committee, this meeting will continue, if necessary, on Wednesday 13th and Thursday 14th July 2016.

Explanatory Note regarding subordinate legislation tabled at this meeting.

(See Item B)

R&O.71/2016.

This Order amends the EU Legislation (Sanctions – North Korea) (Jersey) Order 2015, which gives effect to Council Regulation (EC) No 329/2007 of 27 March 2007 concerning restrictive measures against the Democratic People’s Republic of Korea (OJ L 88, 29.3.2007, p. 1), as amended (the “2007 Regulation”). This Order gives effect to the amendments to the 2007 Regulation that were made by Council Regulation (EU) 2016/841 of 27 May 2016 (OJ L 141, 28.5.2016, p. 36). Those amendments are extensive, and include new prohibitions, breach of which is rendered an offence by this Order.

Separate amendments were made on 20th May 2016 to Annex V of the 2007 Regulation, by Commission Implementing Regulation (EU) 2016/780 of 19 May 2016 (OJ L 131, 20.5.2016, p. 55). But those amendments took effect immediately in Jersey because Article 2 of the EU Legislation (Sanctions – North Korea) (Jersey) Order 2015 provides that references to the Annexes are to be read as amended from time to time. This Order does not affect that.

The Order was made on 29th June 2016 and came into force on 30th June 2016.

R&O.72/2016.

This Order specifies for the purposes of the Sea Fisheries (Bag Limits) (Jersey) Regulations 2016 –

- (a) the number of bass (1) that may be taken any day by any person fishing from a vessel other than a registered fishing boat (*Article 1(1)(a) and (2)*);
- (b) the number of ormer (20) that may be taken on any day by any person (*Article 1(1)(b)*);
- (c) the number of ormer (100) that may be taken on any day by any vessel (*Article 2*).

The Order was made on 1st July 2016 and came into force on 5th July 2016.

WRITTEN QUESTIONS

(See Item I(a))

1. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy J.M. Maçon of St. Saviour –

“Will the Minister provide the figures for underspends for each department for each of the past 5 years?”

2. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy S.Y. Mézec of St. Helier –

“How much money has been budgeted for promotion of the Draft Medium Term Financial Plan Addition for 2017-19, including on the futurefocused.gov.je website, graphics and design, and how much of that budget has been spent to date?”

3. The Minister for Treasury and Resources will table an answer to the following question asked by Deputy S.Y. Mézec of St. Helier –

“Can the Minister provide an estimate of how much revenue would be raised from the proposed income-based health charge in 2018 and 2019, were it to be implemented without an upper cap?”

4. The Minister for Education will table an answer to the following question asked by Deputy S.Y. Mézec of St. Helier –

“What process was undertaken to reach the decision that the salaries for newly qualified teachers should be reduced by £8,000 per year and what assessment has he made of how this decision is likely to affect teacher recruitment, given his previous acknowledgement in an Education and Home Affairs Scrutiny Panel quarterly hearing that his department faces difficulties with recruiting teachers?”

5. The Minister for Education will table an answer to the following question asked by Deputy M. Tadier of St. Brelade –

“With reference to page 153 of the Draft Medium Term Financial Plan Addition for 2017-19, will the Minister give details of what the £300,000 savings for 'user pays' in 2019 with regard to the Jersey Music Service entail? What consultation has been undertaken with the Service on this matter and can the Minister provide an assurance that this cut will not have a deterrent effect on young people learning a musical instrument?”

6. The Minister for Economic Development, Tourism, Sport and Culture will table an answer to the following question asked by Deputy M. Tadier of St. Brelade –

“With reference to page 152 of the Draft Medium Term Financial Plan Addition for 2017-19, will the Minister explain the implications of the proposed “reduction in grants [for] - Culture” and set out which organisations’ grants he plans to reduce?”

7. The Minister for Education will table an answer to the following question asked by Deputy M. Tadier of St. Brelade –

“With reference to page 153 of the Draft Medium Term Financial Plan Addition for 2017-19, will the Minister give details of what efficiencies are proposed in order to achieve the £100,000 saving in library services in 2019 and can he provide an assurance that this will not lead to a diminution in service quality or provision, including in relation to opening times?”

8. The Minister for the Environment will table an answer to the following question asked by Deputy M. Tadier of St. Brelade –

“With reference to page 154 of the Draft Medium Term Financial Plan Addition for 2017-19, will the Minister explain who he expects will pay the £200,000 and £800,000 ‘user pays’ charges shown as savings for 2018 and 2019 respectively and how the revenue from those charges will be broken down between food sale outlets and private rental dwellings?”

9. The Minister for Home Affairs will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“Will the Minister inform members how the States of Jersey Police Force compares with those of England and Wales, the Isle of Man, Guernsey, Scotland and Northern Ireland in terms of the number of police officers per 100,000 population; for what reasons will a loss of 15 front-line response and community officers over the years 2017 - 2019, envisaged as part of the Draft Medium Term Financial Plan Addition, not result in a reduction in public safety; and what effect she expects there will be on public safety of reduced enquiry desk opening hours, changes to the ‘lost and found’ service and the referral of matters to other agencies as part of incident resolution?

Will she further inform members what proposals she has for changes to pay grades for civilian staff and a review of Police terms and conditions and pension changes? What effect does she expect that such changes will have on public safety?

In asking the States to endorse the budget for savings in 2017, will she inform members what further plans she has under consideration to meet her targets for 2018 and 2019?”

10. The Chief Minister will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“How is the proposal in the Draft Medium Term Financial Plan Addition for 2017-19 to reduce newly qualified teachers’ salaries by around £11,000 per year for 2018, generating a total saving of £228,000, consistent with the Chief Minister’s commitment to the principle of collective bargaining, most recently expressed in the comments by the States Employment Board on P.29/2016 that the Board “has a deep-rooted framework of collective bargaining and representation, covering all aspects of workforce with sophisticated and well-resourced Trade Unions such as Unite, Prospect, NUT, RCN and NASUWT”?

“Why have there been no negotiations with teacher representatives on this change to pay scales before the proposal appeared in the Draft MTFP Addition? Will the Chief Minister withdraw this proposal to allow time for proper negotiation to take place?”

11. The Minister for Education will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“Given that the Minister is actively encouraging students to study to degree level on the Island and increasing the range of courses on offer here, for what reasons does he propose to reduce maintenance grants for on-Island degrees? Has any research been conducted by his department into the likely consequences of this decision for student numbers and, if not, why not?”

12. The Minister for Social Security will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“In the light of ongoing redundancies across the public service and the potential impact of downside pressures on the economy following the UK’s decision to leave the European Union, does the Minister remain confident that she can deliver £2 million in savings and a reduction of 10 posts as set out in the Draft Medium Term Financial Plan Addition 2017-19 from reductions in Back to Work services?”

13. The Minister for Health and Social Services will table an answer to the following question asked by Deputy G.P. Southern of St. Helier –

“Will the Minister detail for members the following savings proposals summarised on page 155, Appendix 2, of the draft Medium Term Financial Plan Addition for 2017-19:

- b) review, develop and redesign adult social care and long-term care provision, saving £500,000 by 2019;
- c) further phasing of P82/2012, and further delivery of cash releasing efficiencies, saving £1.2 m with the loss of 5 posts?

Will he further describe in detail what changes he proposes to means testing and maximising income under the section User Pays to raise £625,000 by 2019?”

14. The Minister for Home Affairs will table an answer to the following question asked by Deputy M.R. Higgins of St. Helier –

“Will the Minister undertake to establish why the summary forensic report for the Operation Rectangle investigation was removed from the States of Jersey Police website, inform members of the reasons, and ensure that it is reinstated and if not, why not?”

16. The Chief Minister will table an answer to the following question asked by Deputy M.R. Higgins of St. Helier –

“Will the Chief Minister advise members how many dependents accompanied the 1,500 people recorded in the 2015 population report as net inward migrants and give a breakdown of their ages, gender and nationality? If this information is not available will the Chief Minister explain why it is not available?”

17. The Minister for Education will table an answer to the following question asked by Deputy M.R. Higgins of St. Helier –

“Will the Minister advise members how many children entered Island schools for the first time in 2015, distinguishing between children from the resident population and children whose parents constituted part of the cohort of net inward migration in 2015? Will he also state how many of those children have a first language other than English and what provision schools made to support them?”
