(See Item B)

R&O.54/2017.

Road Traffic (Public Parking Places) (Miscellaneous Amendments No. 4) (Jersey) Order 2017.

This Order amends the Road Traffic (Public Parking Places) (Jersey) Order 2006 (“Public Parking Places Order”) and the Road Traffic (Sand Street Car Park) (Jersey) Order 2012 (“Sand Street Car Park Order”) to make provision for parking charges to be paid over the internet. This Order also makes some consequential amendments to the Road Traffic (Public Parking Places – Charges) (Jersey) Order 2017 (“Charges Order”).

Article 1 amends the Public Parking Places Order by inserting a definition of “valid remote payment” in the Order and makes consequential amendments to allow internet payments for parking charges. It also makes provision for a digital photograph to be used as evidence of a vehicle parked in parking place and for a printed copy of records held by a Minister of valid remote payments to be prima facie evidence of whether or not a valid remote payment has been made.

Article 2 amends the Sand Street Car Park Order by making amendments in respect of Sand Street Car Park similar to those made to the Public Parking Places Order.

Article 3 amends the Charges Order by removing references to the requirement for a pay card to be displayed in order for the vehicle to qualify for the lower parking charge that applies where there is displayed in the vehicle a document showing that the vehicle emits low emissions.

Article 4 sets out the title of this Order and provides that it shall come into force 7 days after the day it is made.

The Order was made on 22nd May 2017 and came into force on 29th May 2017.

WRITTEN QUESTIONS

(See Item I(a))

1. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Housing –

“Given the Guiding Principles for housing strategy outlined in ‘Housing Strategy: Consultation Document – October 2015’ (R.116/2015), will the Minister –

- (a) update Figures 5 and 6 of that report and provide the number of housing completions by type for the years 2013 onward;
- (b) indicate how many, and what proportion of, the 1,000 new home completions given as a target for Andium Homes in ‘Annual Report 2015’ (R.78/2016) will be ‘affordable’ rental homes;
- (c) advise what work, if any, she has done to establish how many of the over 600 households shown in Figure 4 of R.116/2015 as being in urgent need of housing are realistically candidates for anything other than affordable rental housing with assistance from Income Support;
- (d) advise what the average rent on new tenancies is for affordable Andium rental properties for 1 and 2-bedroom flats and 3-bedroom houses as a proportion of household income, along with the mortgage payments required for affordable purchase homes as a proportion of income; and
- (e) provide updated figures for the house and rental price index to 2015/16, as shown in Figure 7 of R.116/2015, alongside the rise in R.P.I. and average earnings, for the period 2002 to date?”

2. Deputy G.P. Southern of St. Helier will ask the following question of the Chief Minister –

“Will the Chief Minister –

- (a) summarise for members in tabular form the net impact in percentage terms of wage-restraint policies and inflation on public sector pay, broken down by pay group, over the period 2009 to 2016;
- (b) advise what his proposals are for public sector pay claims over the 4-year period 2017 to 2020 and which groups are to be involved in the proposed ‘single spine’ for pay and conditions over this period; and
- (c) detail what savings in public sector costs, if any, are targeted from these proposed changes to working conditions, broken down by pay group?”

3. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Social Security –

“Will the Minister state what measures, if any, she has under consideration to provide additional support to those recipients of Income Support who cannot find employment, in light of the cessation of the disregard for Long Term Incapacity Allowance benefits and the erosion of the value of Income Support produced by the rise in R.P.I. of 16.4% since 2009?”

4. Deputy M.R. Higgins of St. Helier will ask the following question of H.M. Attorney General –

“Will H.M. Attorney General explain to members in detail the role and duties of both himself and H.M. Solicitor General with respect to Ministers, members and the Assembly and explain how each Law Officer would operate in the event of a conflict arising between any of the three?

Will he also explain the legal basis for their duties and powers in respect of Ministers, members and the Assembly and where any documents setting out this legal basis can be examined?”

5. Deputy M.R. Higgins of St. Helier will ask the following question of the Chief Minister –

“Will the Chief Minister state –

- (a) whether an informal meeting of Ministers and others took place on 19th May 2017 to discuss the funding of the new General Hospital and, if so, the names of those who were present, as well as the names of those who decided that ‘Future Hospital Funding Strategy’ (P.130/2016), as amended, should be withdrawn, thereby delaying the hospital funding debate, and if not, why not;
- (b) whether a formal decision was taken by the Council of Ministers to ratify the decision to withdraw P.130/2016 and, if so, when it was taken and in what form it was taken (i.e. physical meeting, conference call or email exchange); and
- (c) if a formal decision was not taken by the Council of Ministers, when and how Ministers were notified of the decision that P.130/2016 would be withdrawn?”

6. Deputy M.R. Higgins of St. Helier will ask the following question of the Chief Minister –

“Further to ‘Code of Conduct and Practice for Ministers and Assistant Ministers’ (R.11/2015), and in particular the reference in paragraph 4 that Ministers should “maintain a united position when decisions have been reached”, will the Chief Minister explain whether this means that Ministers are only bound by collective responsibility following decisions made by all members of the Council of Ministers at a formal meeting after informed and inclusive debate; or whether it means Ministers may be bound by the decisions of one or a smaller number of Ministers where there has been no consultation or they have no prior knowledge of the decisions that have been taken, and are informed afterwards; or can collective responsibility apply in both instances?”

7. Deputy M.R. Higgins will ask the following question of the Minister for Infrastructure –

“Will the Minister update members on what progress, if any, there has been to provide the Jersey Sea Cadets with a new headquarters and explain, if such decisions have been taken, where it is to be located and whether it will be a standalone or shared facility?

Will he also explain what sums have been expended to date on this matter, and to whom, and what the latest cost estimate is for this venture?”

8. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Health and Social Services –

“Further to his answer to oral question 1(300) on 23rd May 2017, will the Minister detail for members what measures, if any, he now has under consideration in light of the continuing absence of a resolution to the dispute between care staff and the management of Family Nursing and Home Care (FN&HC), given his duty of care to ensure quality care in the home, in terms of continuity of service, to FN&HC clients; and, if no measures are under consideration, will he explain why not?”

9. Deputy G.P. Southern of St. Helier will ask the following question of the Chief Minister –

“What figures, if any, does the Minister have from the quarterly number of licences registered under Control of Housing and Work legislation, or from the labour market reports, on the number of care workers arriving in the Island since 2012 in the sectors entitled in those reports ‘education, health and other services’ and ‘miscellaneous business activities’?”

10. Deputy R. Labey of St. Helier will ask the following question of the Minister for Infrastructure –

“Will the Minister provide a list, in reverse chronological order (commencing with the most recent) of all consultations, desktop studies, design advice and drawing submissions, together with any internal and external reviews that have been conducted, in relation to the development and maintenance of Fort Regent since 1977?

Will the Minister provide the relevant dates and costs of each project, with the costs adjusted for inflation to reflect current values; and will he indicate within the list the name of the relevant Committee President or Minister in office at the time of preparation of the pertinent documents?”
