2. Deputy S.Y. Mézec of St. Helier will ask the following question of the Chief Minister –

“Will the Chief Minister list all of the occasions on which the ministerial sub-committee set up to examine options for higher education funding has met; and will he further state exactly when this group’s terms of reference were finalised?”

3. Deputy G.P. Southern of St. Helier will ask the following question of the Minister for Health and Social Services –

“In relation to nurses and midwives, will the Minister inform members of –

- (b) a breakdown of the distribution of nursing positions in grades 1 to 8 along with the vacancy rate in each grade;
- (c) whether any consideration has been given to the use of recruitment and retention bonuses and, if such bonuses are paid, what these are;
- (d) what different rates are on offer in the 4-year pay offer to nurses across grades 1 to 8 (B to J in the new pay bands), and state where the target rate offered for each grade is estimated to be higher or lower in real terms by the end of the period;
- (e) what the package on offer to nurses (including basic hourly rates, unsocial hours and overtime rates) will mean for average annual earnings of the nursing workforce by 2020; and

4. Deputy J.A.N. Le Fondré of St. Lawrence will ask the following question of the Chief Minister –

“Will the Chief Minister advise whether, since 1st January 2012, there have been any instances whereby –

“What research, if any, has the Chief Minister undertaken to assess the impact of the policy of below inflation public sector pay awards on attempts to grow the economy?

Will he advise whether this policy has resulted in effectively a 16 per cent reduction in public sector pay over the last decade and whether this amounts to a loss of some £50 million annually from circulating in the local economy and, if that is not the case, will he advise what figures he does have for the impact of such wage restraint?”
