### **Note regarding appointment processes**

(See Item F)

Membership of the Legal Aid Guidelines Advisory Committee is governed by Article 6 of the Access to Justice (Jersey) Law. Article 6(3)(h) states that the Committee shall include amongst its membership two members of the States, nominated by the States.

No provision is made within the Law for the appointment process. The process for appointing members to the Jersey Police Authority has therefore been proposed as a model. On that basis, the Chief Minister will be invited to nominate two elected members as members of the Committee. If no other nominations are received, the Presiding Officer will declare that the Chief Minister's nominees have been appointed. If other nominations are received, a secret ballot will be held to determine which two members will be appointed.

The Access to Justice (Jersey) Law has yet to receive Royal Assent and be registered in the Royal Court. In line with correspondence sent by the Chief Minister to all States members on 14th May 2019, the Committee will initially be constituted in shadow form pending the Law coming into force.
