### **R&O.5/2022.**

Education (Grants and Allowances) (Amendment No. 2) (Jersey) Order 2022.

*Minister for Children and Education.*

This Order amends the Education (Grants and Allowances) (Jersey) Order 2018 (the “2018 Order”) to make provision about determining the relevant income in respect of certain dependent students living with a single parent, for the purposes of an application for a student grant.

*Article 1* provides that the Order amends the 2018 Order.

*Article 2* amends Article 4 of the Order, to signpost the modifications to that Article in relation to certain dependent students (those living with a single parent who meet the other conditions in new Article 6A).

*Article 3* inserts a new Article 6A which applies to dependent students living with a single parent, who are applying for a grant for the academic year beginning on 1st September 2022 or later, in respect of a course for which the student was eligible for consideration for a grant in the 2021 academic year under the Education (Grants and Allowances) (Academic Year 2021-2022) (Jersey) Order 2021 (which applied to students living in single parent households). Article 6A does not apply in relation to first time applicants. Paragraph (3) of the new Article provides that 2 courses in higher education that together lead to a single qualification (such as a foundation degree followed by a one year “top-up” degree course) are to be treated as a single course for the purposes of the conditions in Article 6A(1). Where new Article 6A applies, the relevant income in respect of the student is the single parent’s gross income for the preceding calendar year (and Article 4 of the 2018 Order is modified accordingly).

*Article 4* gives the citation of the Order and provides that it comes into force 7 days after it is made.

The Order was made on 19th January 2022 and came into force on 26th January 2022.

### **R&O.6/2022.**
