L. PUBLIC BUSINESS

Hospital: determination of planning application during election period P.77/2022.
Lodged: 25th April 2022, *Minister for the Environment*.

Note: Because of the requirement for a six-week lodging period, the minimum lodging period of the proposition of the Minister for the Environment will expire on Monday 6th June 2022. Furthermore, notification for the proposition to be listed for debate could not be provided in accordance with the timescale set out Standing Order 32. The Minister has therefore given notice of his intention to propose, in accordance with Standing Order 80, that Standing Order 32 be suspended in order that the proposition may be listed for debate at the meeting; and subsequently to propose, in accordance with Standing Order 26(7), that the minimum lodging period for the proposition be reduced in order that it can be debated at the meeting. If both proposals are adopted, the proposition will be listed for debate after all other propositions listed on the Consolidated Order Paper for the meeting, unless the Assembly agrees otherwise.
