## **Report**

On 8th December 1998 the States referred to the Legislation Committee for report a petition submitted by the members of the Management Committee of the Beaulieu Convent School, praying that an Act of Incorporation be granted to the Beaulieu School Trust.

The Committee, after due consideration, has decided to recommend to the States that the Prayer of the Petition be granted. The Committee has also considered a draft Loi accordant un Acte d'Incorporation à l'Association dite, 'The Beaulieu Convent School Trust' whereby the Act of Incorporation would be granted. The Committee recommends the States to adopt the Law, which will be lodged "au Greffe" on the same day as this report is presented to the States.
