DRAFT REGISTER OF NAMES AND ADDRESSES (JERSEY) LAW 2012 (APPOINTED DAY) ACT 201-

REPORT

The Register of Names and Addresses (Jersey) Law 2012 was approved by the States Assembly in July 2011, and received Privy Council Assent in October 2012.

The Law requires a register to be maintained and enables “public authorities” to share very basic information on Island residents: specifically, their name, address, date and place of birth, date of arrival, gender, and social security number.

No personal data, such as health or financial information, can be shared. The Law is first and foremost about helping Islanders – sharing basic data to provide services, and helping them meet their obligations, and is framed in this way. It will also mean we have good quality statistics.

Financial and manpower implications

This Law will not have any financial and manpower implications in itself. It requires the Minister to maintain data that will be maintained in any event under the Control of Housing and Work (Jersey) Law 2012, and enables Public Authorities to share this information.

Explanatory Note

The effect of this Act would be to bring into force the Register of Names and Addresses (Jersey) Law 2012 on the first Monday following whatever date falls 7 days after this Act is made.
