- (ba) agreed that the new General Hospital should not be located at People's Park, Lower Park, Victoria Park, Westmount Gardens or Parade Gardens, in St. Helier;
- (bb) agreed that the conclusions of any site selection process undertaken to date should be set aside and to request the Council of Ministers to implement a new, open and transparent process of site selection for the new Jersey General Hospital in order that the most suitable site location might be identified; and
- (c) noted, for the avoidance of doubt, that there might still be incurred pursuant to P.107/2017 such expense as was necessary or expedient for the purposes of winding up work undertaken to date under the Preferred Scheme.
