AMENDMENT

**PAGE 26, ARTICLE 25 –**

In sub-paragraph (b) in the substituted paragraph (3) for “£10,000” substitute “£15,000”.

DEPUTY T.A. COLES OF ST. HELIER SOUTH

## REPORT

---

This amendment makes the necessary changes to the [Draft Finance \(2024 Budget\) \(Jersey\) Law 202-](#) following my amendment to the [Proposed Government Plan 2024-2027](#). This is to adjust the value of the so-called “small pot pensions” rule, so the reduction from £19,000 is to £15,000.
