BY SENATOR J.L. PERCHARD
ANSWER TO BE TABLED ON TUESDAY 19th OCTOBER 2010**

Question

How many student places are available in each of the non fee paying secondary schools and which year groups of those schools have the spare places?

Answer

Due to the designated catchment areas assigned to each school, two of our secondary schools are full. There is capacity for a further 318 students in the remainder of the non-fee paying secondary schools, across all year groups. If additional spaces are required, the department has a degree of flexibility to accommodate more students if circumstances dictate.
