

**WRITTEN QUESTION TO THE MINISTER FOR HEALTH AND SOCIAL SERVICES
BY DEPUTY A.E. JEUNE OF ST. BRELADE
ANSWER TO BE TABLED ON TUESDAY 29th MARCH 2011**

Question

Would the Minister advise whether the remuneration of the Director of Social Services has now been agreed and, if so give details of the whole remuneration/benefits package and, if not, please identify the cause of the delay?

Answer

The total remuneration for the Managing Director of Community and Social Services has been agreed at £140k per year. The postholder will not receive a pension contribution or expenses. The holiday entitlement and relocation allowance are as per States standard arrangements.

The salary, which has been benchmarked against the UK, is commensurate with equivalent posts and is appropriate to the scope and responsibility of the role.
