

**WRITTEN QUESTION TO THE MINISTER FOR HOUSING  
BY DEPUTY M. TADIER OF ST. BRELADE  
ANSWER TO BE TABLED ON TUESDAY 17th APRIL 2012**

**Question**

Will the Minister advise whether his Department has received many letters/emails/calls of concern or complaint from tenants regarding Jersey Water's new tariffs and the inability to provide individual metering for those living in States' housing and, if so, what action, if any, will be taken to address this issue?

**Answer**

The Housing Department has not received any complaints or concerns from tenants regarding Jersey Waters new tariffs.

The Department has been in discussions with the Jersey Water regarding current methods of billing and is investigating means to allow tenants who have an individual metered supply to pay Jersey Water direct for water consumed.
