

**WRITTEN QUESTION TO THE CHIEF MINISTER
BY DEPUTY S.Y. MÉZEC OF ST. HELIER
ANSWER TO BE TABLED ON TUESDAY 16th JUNE 2015**

Question

Following the Chief Minister's answer to question 8815 tabled on Tuesday 2nd June 2015 regarding Ministers' travel expenses, could he explain why sums have been given that appear to include flight costs for members who at the time did not hold any ministerial office? Could he further provide the information requested, removing any cost that was not associated directly with members acting in their capacity as Ministers/Assistant Ministers?

Answer

The information provided in question 8815 included flight costs incurred by Members travelling for reasons other than for ministerial duties because an electronic search for the relevant names does not distinguish between different reasons for travelling, and the impact of the election in November 2014 was not factored into the date limits set for the search.

This meant some of the data showed Members travelling on States business other than ministerial/assistant ministerial business. The differentiation has now been done manually.

The table below shows the travel expenses incurred by Members acting in their capacity as Ministers/Assistant Ministers.
