

**WRITTEN QUESTION TO THE CHIEF MINISTER
BY DEPUTY M.R. HIGGINS OF ST. HELIER
ANSWER INITIALLY TABLED ON TUESDAY 4TH JULY 2017**

This question was initially tabled on 4th July 2017, in response to which the following answer was provided:

“Yes.

A similarly formatted answer in relation to the former Assistant Chief Minister with responsibility for financial services, digital, competition and innovation, will be provided within the next week to States Members.

This will show who the Assistant Chief Minister met, when and where, and the purpose of the meetings, and given the volume of meetings, will extend to a number of pages and hundreds of meetings, which is why it will take a short time to compile and complete.”

An updated answer has since been tabled

Question

Further to the answer to written question 1(350) on 20th June 2017, will the Chief Minister publish a similarly formatted answer in relation to the former Assistant Chief Minister with responsibility for financial services, digital, competition and innovation, showing who the Assistant Chief Minister met, when and where, and the purpose of the meetings from his business diary?
