**Senator S.C. Ferguson of the Chief Minister regarding staff appointments at the Jersey London Office and the Channel Islands Brussels Office: [OQ.72/2018]**

What staff appointments have been made at the Jersey London Office and the Channel Islands Brussels Office in the past 6 months?

**Senator J.A.N. Le Fondré (The Chief Minister):**

In the last 6 months only one appointment has been made. That was in the London Office for a U.K. Affairs Attaché and that individual has come from a background of working in the Houses of Parliament.
