

**WRITTEN QUESTION TO THE ASSISTANT CHIEF MINISTER
BY DEPUTY M.R. HIGGINS OF ST. HELIER
QUESTION SUBMITTED ON TUESDAY 28th SEPTEMBER 2021
ANSWER TO BE TABLED ON TUESDAY 5th OCTOBER 2021**

Question

Will the Assistant Chief Minister provide Members with the titles of all administrators and clinicians who will be housed on the top floor of the proposed hospital?

Answer

The Royal Institute of British Architects Stage 2 report, published at www.ourhospital.je - <https://ourhospital.je/news-and-updates/article/riba-stage-2-report-published> - illustrates both clinical and administrative areas located on the top floor of the proposed hospital.

However, given that the hospital is not due to be operational until 2026, it is not possible to provide a comprehensive list of role titles for Health and Community Services staff who may be accommodated on the top floor of the new facility.
