Question

“Will the Minister state how many entities have registered under the ‘Zero/Ten’ regime since 2013?”

Answer

Entities are not required to register under the ‘Zero/Ten’ regime. A corporate entity may be taxed at 0%, 10% or 20% depending upon the relevant sources of income declared on the annual tax return.

39,060 entities filed returns for year of assessment 2020. A breakdown of corporate entities is available in the [Statistical Digest](#).
