BY DEPUTY D.J. WARR OF ST. HELIER SOUTH  
QUESTION SUBMITTED ON TUESDAY 28th MAY 2024  
ANSWER TO BE TABLED ON TUESDAY 4th JUNE 2024**

**Question**

“Will the Minister advise –

- (a) on what date Customer and Local Services will move to the new Government Headquarters;
- (b) whether this move will leave Philip Le Feuvre House vacant;
- (c) what plans, if any, there are for the future use of Philip Le Feuvre House; and
- (d) the total operational space, in square metres, of Philip Le Feuvre House?”

**Answer**

- a) The occupation plan continues to evolve with a number of interdependencies in the contractor and M&D having a material bearing on the dates. The CLS move date is not yet set but planning is being undertaken on the assumption that they will move in early December 2024.
- b) The intention is to have agreed the disposal of Philip Le Feuvre house so there is no gap.
- c) The current assumption is that the CLS buildings will be disposed of for residential redevelopment.
- d) Net internal area of Philip Le Feuvre house is 2145m<sup>2</sup>. It is linked at ground and first floors with Huguenot House which has a net internal area of 571m<sup>2</sup>

The current plans for disposal are being briefly interrupted by further considerations of alternative site use.
