REPORT

The Island-wide rate for 2020 has been determined in accordance with the [COVID-19 \(Rates\) \(Jersey\) Regulations 2020](#).

The 2020 Annual Island-wide Rate Figure (AIRF) is the 2019 figure of £13,286,384.

In accordance with the [Rates \(Apportionment\) \(Jersey\) Regulations 2006](#), 55% of the AIRF is to be met from the domestic rate and 45% of the AIRF is to be met from the non-domestic rate.

The rates are determined by dividing the sum to be raised between the number of quarters assessed on domestic property (c. 994 million quarters) and on non-domestic property (c. 570 million quarters). The rates will therefore be 0.74 pence per quarter for domestic ratepayers (the same as in 2019) and 1.05 pence per quarter for non-domestic ratepayers (the same as in 2019).
