Dear Chief Minister

Brexit – Request for delay of debate of P.76/2019

I am writing in relation to the upcoming Proposition, Draft Emergency Powers and Planning (Amendment No. 3) (Jersey) Law 201- [P.76/2019].

The Brexit Review Panel requests that debate on this Proposition is delayed by two sittings from its currently scheduled date of the 10th of September 2019 to the 8th of October 2019 to allow time for Scrutiny to thoroughly review the proposed changes.

I look forward to receiving your response on this matter by 27th August 2019.

Yours sincerely

Deputy Kirsten Morel
Chair, Brexit Review Panel
