Dear Chairman,

Public Sector Pay

With reference to your letter of 8th January, I can confirm that I am responsible for the leadership of the States Employment Board.

It appears that Scrutiny is operating under a misunderstanding of the formal procedure that exists within the Employment of States of Jersey Employees (Jersey) Law 2005.

At the point of resignation of Senator Vallois, the Chairmanship of the SEB reverted back to me as Chief Minister. At this significant time, and having been kept informed throughout, it is right that I now discharge this leadership responsibility personally and for as long as necessary.

I also note your request for a hearing within the next two weeks. I am more than content to account for the policies and decisions that are being taken, and will endeavour to find availability within the two-week window you requested. My office will be in contact with your Scrutiny Officer to arrange a mutually suitable time.

Yours sincerely,

Senator John Le Fondré
Chief Minister
