Dear Chair

Safer Travel Guidelines

Please accept my apologies for the delay in responding.

The exemption policy for inbound travel isolation requirements for critical workers can be found here:

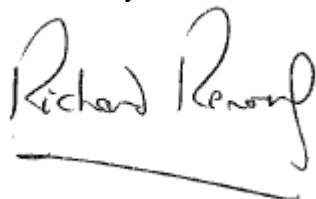

<https://www.gov.je/Health/Coronavirus/Travel/Pages/RequestPermissionNotToSelfIsolateWorkPurposes.aspx>

In the period from 20/10/2020 to 04/11/2020, applications were approved for a total of 153 workers.

Due to the volume of applications received during this time and the quick turnaround required, we are unable to detail all the groups/industries for which exemptions were provided. However, among the categories processed were aircraft engineers, baggage handling systems engineer, maintenance and refurbishment at La Colette, healthcare professionals, construction workers, sewage works engineers and an elevator commissioning engineer.

I hope this is helpful

Yours sincerely

Deputy Richard Renouf
Minister for Health and Social Services
