Dear Minister

Safer Travel Guidelines

I would like to thank you for your attendance at the Safer Travel Guidelines Review Panel public hearing on 13th October.

The Panel would like to request further details of the exemption policy for inbound travel isolation requirements for groups such as essential workers and engineering and construction workers. Please could you clarify all groups which are exempt from inbound travel isolation requirements and provide us with the number of individuals who have traveled to Jersey for each group/category.

I would be grateful if you could provide a response on or before Thursday 22nd October 2020. Please note it is the Panel's intention to publish this correspondence on the States Assembly website.

Thank you in advance for your assistance in this matter.

Yours sincerely,
