Dear Minister

Corporate Services Scrutiny Panel

Memorandum of Understanding - States-owned entities

The Corporate Services Scrutiny Panel (the Panel) would like to request a copy of the new Memorandum of Understanding which has been adopted by the Government of Jersey with the States of Jersey Development Company and other states-owned entities in 2020. The Panel understands that the Memorandum of Understanding sets out the formal calendar of meetings, flow of information requirements, agenda items for each shareholder update meeting and includes succession planning and remuneration information which the Panel is keen to examine.

The Panel would also be most grateful to receive copies of the minutes from the shareholder update meetings between the Government of Jersey and each States-owned entity to provide additional clarity, to the Panel, on the shareholder relationship and expectations.

I look forward to your response and would appreciate it if this could be received by Friday 7th August 2020.

Yours sincerely
