Dear Peter

EIA Panel

Jersey Farming Conference 2021

I write to you following the recently held Jersey Farming Conference. Unfortunately, I was unable to attend however, Senator Steve Pallett, who is a member of the Panel, was in attendance and supplied feedback to the Panel on the various speeches made on the day.

The Panel has received a copy of your speech and has read it with great interest. We agree there are areas of concern that should be addressed and would like to invite you to a private meeting with the Panel for further discussion around both these and the rural economy generally.

To that end, could I ask please that you liaise with our officer, Janice Hales on j.hales@gov.je to confirm if you would be available on Friday 14th January at 10.30am for a private meeting with the Panel via Microsoft Teams. If this is not convenient, our officer will be able to offer some alternative dates which suit both parties.

If you have any further questions regarding this matter or our work in general, please do not hesitate to contact me. In the meantime, I look forward to meeting with you in the New Year.

Yours sincerely

Deputy David Johnson
Chair
