Thank you for your letter of 11th January setting out the Terms of Reference for the Panel's review of Jersey's involvement in the UK-EU Trade and Cooperation Agreement.

I am aware that my officials have been in contact with your officers to discuss the timescale of the review and have shared relevant documents. I have asked them to ensure that they continue to do so for the duration of the review to ensure the Panel is assisted to the greatest extent possible.

We will keep the Panel updated on any key developments and are available as required to provide private briefings or information. In addition, I look forward to attending the public hearing when it is arranged.

I am grateful to the Panel and your officers for undertaking this important review which will greatly assist and inform the work of the Government.

Yours sincerely
