Dear Senator Moore,

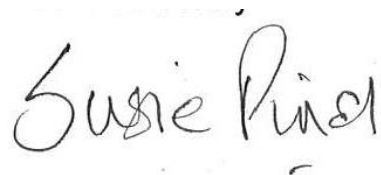

Fiscal Stimulus Fund – Tranche 2 Initial Draft Recommendations

Further to my letter dated the 30th of April 2021, with which I provided documentation related to Tranche 2 applications, I am now able to provide you with the interim draft recommendations from the Fiscal Stimulus Oversight Group. Those applications recommended for funding at this stage are detailed in the attachment to this letter and this information is provided on a confidential basis. The intention is that the Fiscal Stimulus Oversight Group will do further work on the remaining business cases and I will be able to provide additional information to you once I am in receipt of further details.

As part of the appraisal process, please could I ask that you review the recommended schemes and provide me with comments by the 24th of May 2021. If you wish to provide comments on those schemes for which there is not yet a recommendation, then I am content for you to do so.

As always, if you require any further information please do not hesitate to contact me or my officers.

Yours sincerely

Deputy Susie Pinel
Minister for Treasury and Resources
