1st February 2021

Dear Chief Minister

**Corporate Services Scrutiny Panel**

**States Employment Board: Public Sector Pay and CEO appointment**

The Panel notes that it has not been appraised on the determined negotiating mandate of public sector pay reviews due on 1st January each year, we kindly request that an update be forwarded.

We would also take this opportunity to request an update as to the progress of the recruitment of a new Chief Executive Officer. The Panel would value confirmation of the members of the Appointment Panel overseeing this recruitment and clarification of the rationale behind the selection of Paul Martin as interim Chief Executive compared to fully recruiting the post.

The Panel would be grateful if this information can be provided in writing by Monday 8th February 2021. We would be further grateful if yourself or Vice Chair of the board would meet with the Panel to discuss the topics further.

Yours sincerely
