Dear Minister

Economic and International Affairs Scrutiny Panel

Update to the Tourism Strategy

I write following a briefing we recently had regarding the update to the Tourism Strategy. During that briefing, we were informed that a draft update to the tourism strategy is currently ongoing which is likely to be complete by April of this year.

The Panel would be keen to know how confident you are that the update to the tourism strategy will in fact be complete by April and if not, what contingency plan is in place to ensure the strategy is updated before this end of office. In the meantime, are you able please to now forward any part of the draft strategy completed to date, this to be received by the Panel under confidentiality.

If you have any questions regarding this and our work in general, please do not hesitate to contact me.

Yours sincerely
