Dear Minister

**Corporate Services Scrutiny Panel**

**Enveloped Property Transactions Tax Review**

In its letter to you dated 6<sup>th</sup> January 2022 the Corporate Services Scrutiny Panel [the Panel] advised you that it would be undertaking a review of the Proposition [P.119/2021] Draft Taxation (Enveloped Property Transactions) (Jersey) Law 202-.

The letter requested that a copy of the economic analysis report to support the Proposition be provided to the Panel by the 12<sup>th</sup> January 2022 as a vital component to the Panel's review work. The Panel also advised you that any delay in the Panel receiving the economic analysis report would result in a need to request a delay in the date of the Assembly debate.

Unfortunately, the economic analysis report has not been received by the 12<sup>th</sup> January 2022 and therefore the Panel would like to formally request that the debate of the Proposition be delayed to the next States sitting (1<sup>st</sup> March 2022) in order that it can complete its review.

The Panel would appreciate you confirming the delay to the Assembly debate by Friday 14<sup>th</sup> January 2022.

Yours sincerely

Deputy Steve Ahier  
Vice Chair, Corporate Services Scrutiny Panel
