Dear Deputy Binet,

Future Hospital Review Panel

R.154/2022 – A Review of The Our Hospital Project – Scrutiny Review

I write to you following the presentation of your report and review of The Our Hospital Project and to inform you that the Future Hospital Review Panel has been re-established to undertake a review in relation to aspects of the report and the next steps for the project.

The Panel's Terms of Reference for its review are as follows:

1. To examine the methodology and robustness of the 'Our Hospital Project' review and assess the decision-making processes and governance arrangements surrounding it.
2. To assess the robustness of the consultation process that was undertaken as part of the 'Our Hospital Review'.
3. To establish the basis of the cost savings identified in the 'Our Hospital Project' Review and determine the robustness of this evidence for decision making by the States Assembly.
4. To identify the timescales and next steps to be taken by Ministers in relation to the 'Our Hospital Project' and any implications that may arise for the States Assembly in relation to the Government Plan 2023-26.

The Panel membership will be made up of the Chairs of the Corporate Services, Health and Social Services Panels and the Public Accounts Committee and a representative of the Environment Housing and Infrastructure Panel. It intends to begin its work immediately and you will be contacted in due course for attendance at a Public Hearing.

Yours sincerely
